

Parent(s) Low Income Verification Statement

Your parent(s) reported little or no income on your FAFSA Application. We need your parent to write a statement as to where and how your family lived last year. Your parent may provide the statement in the space below. Please be sure to check the boxes for the circumstances that best describes your parent's situation and then ask them to sign and date this form.

- If your family lived with family or friends we will need a letter from them declaring they supported your family and indicating a dollar amount for the support they provided. Attach it to this form.
• If your family received support from any type of agency to assist with day to day costs such as housing or food, please provide documentation of the support you received. (Link card, Section 8, CCRS, Veteran's Non-educational benefits, etc.). Attach it to this form.
• If your parent was hospitalized, incarcerated or volunteering your services in exchange for living arrangements provide documentation from the appropriate authority to verify these types of situations. Attach it to this form.

Check All that applies to your parent(s) circumstances:

[] By checking this box your parent(s) certify that they did not and were not required to file a 2020 Federal Income Tax Return

[] By checking this box your parent(s) certify they were not employed in 2020 and had no income from any type of work.

[] By checking this box your parent(s) certify that they did work and had wages in 2020 and will provide the W2 forms or other forms of documentation to support the amount earned.

[] By checking this box you certify your parent(s) did file a 2020 Federal Income Tax Return and will provide us with a signed and dated copy of the return. If you used the IRS data Retrieval when completing your FAFSA we do not need a copy of your return.

This space is provided for your written statement:

Multiple horizontal lines for writing a statement.

(Attach additional paper if necessary)

Print STUDENT'S Name: Student ID#

PARENT Sign & Date:

Please return this completed form with COPIES of documentation needed to verify your situation. We will make corrections to your FAFSA data if needed. Be aware that if your parent did not file a 2020 Fed. Tax return but income amount indicates they should have they must complete this step before we can award any Federal student aid.
