

Student Low Income Verification Statement

You reported little or no income on your FAFSA Application. We need you to write a statement as to where and how you lived last year. You may provide your statement in the space below. Please be sure to check the boxes for the circumstances that best describes your situation and then sign and date this form.

- If you lived with family or friends we will need a letter from them declaring they supported you and indicating a dollar amount for the support they provided. Attach it to this form.
• If you received support from any type of agency to assist you with day to day costs such as housing or food, please provide documentation of the support you received. (Link card, Section 8, CCRS, Veteran's Non-educational benefits, etc.). Attach it to this form.
• If you were hospitalized, incarcerated, or volunteering your services in exchange for living arrangements provide documentation from the appropriate authority to verify these types of situations. Attach it to this form.

Check All that applies to your circumstances:

[] By checking this box you certify that you did not and were not required to file a 2020 Federal Income Tax Return

[] By checking this box you certify you were not employed in 2020 and had no income from any type of work.

[] By checking this box you certify that you did work and had wages in 2020 and will provide the W2 forms or other forms of documentation to support the amount earned.

[] By checking this box you certify you did file a 2020 Federal Income Tax Return and will provide us with a signed and dated copy of the return. If you used the IRS data Retrieval when completing your FAFSA we do not need a copy of your return.

This space is provided for your written statement:

Blank lines for writing a statement.

(Attach additional paper if necessary)

Print Name: _____ Student ID# _____

Sign & Date: _____

Please return this completed form with COPIES of documentation needed to verify your situation. We will make corrections to your FAFSA data if needed. Be aware that if you did not file a 2020 Fed. Tax return but your income amount indicates you should have you must complete this step before we can award any Federal student aid.
