

Gainful Employment Disclosures – January 2021

Program Name: ECHOCARDIOGRAPHY ADVANCE CERTIFICATE

This program is designed to be completed in 18 months.

This program will cost \$14,450 if completed within normal time. There may be additional costs for living expenses. These costs were accurate at the time of posting, but may have changed.

Of the students who completed this program within normal time, the typical graduate leaves with \$5,250 of debt.

Program qualifies students to sit for licensure exam in the following States: Graduates are able to sit for a national certification exam by the ARDMS (American Registry for Diagnostic Medical Sonography), ARRT (American Registry of Radiologic Technologists) or the CCI (Cardiovascular Credentialing International). The graduate will choose which exam to take depending on their previous education (rad tech vs. non-rad tech). This certification allows them to work in any state.
