

In Tribute...

It is with sincere respect and gratitude that we pay tribute to Eva and Charles "Chic" Reed.

The Reeds were a caring couple who believed in the power of education and technology to create forward momentum for the community. The *Eva and Charles "Chic" Reed Memorial Fund* will be used to replace outdated equipment each year, insuring that the most current technology is provided to students. Devoted to each other, and their work, the Reeds left a legacy of grace, dedication, and generosity which will touch the lives of students for years to come. Their benevolence is an inspiration to us all.
