DACC Data Team Minutes

May 7, 2019, 3:00 p.m., President's Conference Room

Present: Bob Mattson, Debbie Knight, Rebecca Courchesne, Penny McConnell, and Ruth Lindemann

1. Reports to review:
   a. KPI draft 3
      i. KPI 1g – Newly suggested: Developmental to College Level and First Grade – looks good. Discussion ensued explaining that there has been a drop in success which is probably due to better placements and students starting at a higher level which left lower ability students in developmental who then moved into college work.
      ii. KPI 2a, 2b, 3d, 3g, 4a, 4b - Performance Metric Funding Graphs/Charts – 3g data source should be looked at again to be sure it was copied properly. 4a & 4b years should be checked for accuracy, all may need an explanation as to how the funding year is based on a change between two past year's data. And all should be kept as part of the KPIs, especially since this money source may grow.
      iii. KPI 1c – new chart: Fall-to-Spring retention full- and part-time – both 1c & 1d should spell out the start and close semesters for clarity
      iv. KPI 3h – new chart: 4-year Graduation Rate, Fall and Spring Cohorts – looks good
      v. KPI 1d, 2c, 3h - determining Retention, Persistence, and Completion goals - tabled
      vi. creating Indirect Measures from CCSSE, NLSSI, and Graduate Surveys - tabled
      vii. creating Enrollment Measures – Bob asked that we remove this

   b. KPI visibility – After revisions described above, and new data is entered in June this will be posted online
