## Payment Options:

Payment is due 10 days before the first day of class. DACC offers a variety of payment options to help students:

1. Pay in full with cash or check by mail or in person at the Cashier in Vermilion Hall.
2. Pay in full with Visa, MasterCard, or Discover (service fees apply)
3. Pay online through the *myDACC* portal and logging into the student's Self Service account. Students may view their bill by clicking on the Student Finance option.

The *myDACC* portal can be accessed by clicking on the icon below in the upper right-hand corner of the DACC website (<https://www.dacc.edu/>).

4. Payment Plan (Nelnet); available through the Self Service ~ Student Finance option. A \$30 fee is required to set-up the plan.
5. Scholarships are available through some high schools. Contact high school for more information.
6. Some scholarships are available through the DACC Foundation. The scholarship application is generally available in the middle of December and due in early March for the upcoming Fall and Spring terms. To access the application or for more information, visit the Foundation webpage at <https://www.dacc.edu/foundation>.

If payment is not received for tuition and fees due, a registration block will be placed on the student's account. This will stop the student from registering for future terms and from sending transcripts to other colleges.

Please note, students cannot apply for Financial Aid while they are still in high school.
