

THIS IS A CAREER DEGREE.
IT IS NOT DESIGNED TO TRANSFER TO A FOUR YEAR UNIVERSITY.

Danville Area Community College
2017-2018

Nursing
Level I Nursing Certificate

The Level I nursing program prepares students to become licensed practical nurses (LPNs) to provide safe, quality care under delegation in hospitals and ambulatory care settings. The program provides a variety of learning experiences, including classroom, laboratory, and clinical experiences. Graduates are eligible to take the licensure exam for Practical Nursing (NCLEX-PN) and obtain state licensure. This program is a highly selective program and acceptance is dependent upon an admission criteria point system. Students are strongly encouraged to complete the required general education, especially science courses, before admission or during the summer semester. Transfer credit for non-nursing courses and placement exam credit will be evaluated on an individual basis. Transfer courses must be completed with a "C" or higher to qualify for credit towards certificate. All courses must be completed with a grade of "C" or better. Students must have an American Heart Association (AHA) Healthcare Providers CPR certification before Level 1 coursework begins.

Students must meet all pre-application admission criteria.

For more information regarding the admission guidelines, visit www.dacc.edu/depts/nursing.

REQUIRED COURSES	HOURS	F,S,I,SU	GRADE
