

THIS IS A CAREER DEGREE.
IT IS NOT DESIGNED TO TRANSFER TO A FOUR YEAR UNIVERSITY.

Danville Area Community College
2019-2020

Nursing
Level I Nursing Certificate

The Level I nursing program prepares students to become licensed practical nurses (LPNs) to provide safe, quality care under delegation in hospitals and ambulatory care settings. The program provides a variety of learning experiences, including classroom, laboratory, and clinical experiences. Graduates are eligible to take the licensure exam for Practical Nursing (NCLEX-PN) and obtain state licensure. This program is a highly selective program and acceptance is dependent upon a minimum GPA of 2.5 and an admission criteria point system. Students will need to complete the required general education before applying. MATH 115 may be taken during the summer semester between Level I and Level II. This is a full time program.

Transfer credit for non-nursing courses and placement exam credit will be evaluated on an individual basis. Transfer courses must be completed with a "C" or higher to qualify for credit towards certificate. All courses must be completed with a grade of "C" or better.

Students must have an American Heart Association (AHA) Healthcare Providers CPR certification before Level 1 coursework begins. Students who successfully complete Level I automatically transition into Level II. See AAS Nursing.

Students must meet all pre-application admission criteria except for MATH 115.

For more information regarding the admission guidelines, visit www.dacc.edu/depts/nursing.

PRE-REQUISITE COURSES	HOURS	F,S,I,SU	GRADE
BIOL 136 Anatomy and Physiology I	4		
ENGL 101 Rhetoric I	3		
BIOL 137 Anatomy & Physiology II	4		
PSYC 100 Intro to Psychology	3		
BIOL 140 Microbiology	4		
Total	18		
<i>*may be taken during the summer session between Level I and Level II.</i>			
REQUIRED COURSES	HOURS	F,S,I,SU	GRADE
