**Transfer Admission Requirements:**

1. 2.5 GPA (4.0 scale).

## **Admission Criteria for the School of Social Work**

*(Admission to the University does not guarantee admission to this program.)*

1. General Education requirements must be completed. There are two ways transfer students may meet the General Education requirements: Associate's degree or IAI requirements.
2. All Social Work majors must formally apply to the School of Social Work to continue to the professional preparation coursework within the program.

To be accepted into the Baccalaureate Social Work Program, a student must have satisfied the following requirements:

- At least 30 hours of credit with a minimum 2.50 cumulative GPA.
- Completed General Education Requirements.
- Grade of C or better in all courses required for the major (including all social work pre-requisites).
- Successfully completed a minimum of 25 pre-approved clock hours of volunteer or paid work experience (post high school graduation) in a social agency within the last two years. This requirement can be met through a broad range of experiences with populations or individuals experiencing a social problem. The list of appropriate local volunteer opportunities can serve as a guide to volunteer experiences either in Bloomington/Normal or in other communities. Download the *Volunteer Service Hours* form.
- **Personal Essay** – addressing specified qualifications.
- Demonstrated suitability for the profession proven through the personal statement. Assessment of suitability is also based on professional standards of practice as specified in the clinical **Social Work and Social Work Practice Act** and the **National Association of Social Workers (NASW) Code of Ethics**.

Exemptions from the grade point requirement may be made for students who demonstrate potential for academic success in Social Work. Exceptions are granted upon the recommendations of the Social Work Admission Committee and the Director or designee of the Social Work program.

### **Notes:**

1. All graduates of the College of Arts and Sciences must satisfy a foreign language requirement that may be met by: 3 years of one foreign language in high school or completion of the second semester or higher of college-level foreign language with a grade of C or better. If the requirement has been met, the student should choose CECN102 and CECN 103, a PSYC or SOCY elective, or additional math course.
2. Students may also take MATH 161 to fulfill the DACC and ISU math requirement. MATH 135 is required. Math 161 is a Quantitative Reasoning elective, which can be met with other courses at ISU.
