HLTH 101 Contemporary Health	3
AGRI 101 Animal Science (See Note 4.)	4
Humanities or Fine Arts Elective	3
Social Science Elective (See Note 8.)	3
<b>Total</b>	<b>16</b>

## **Transfer Admission Requirements:**

1. 2.0 GPA (4.0 scale).

## **Notes:**

1. Specialized areas of study available in Agriculture are Ag Education, Ag Information, Ag Technologies, and Ag Production.
2. DACC recommends a three-hour course in Third World or Non-Western culture, either in Humanities or Social Science.
3. Effective Fall 1992, new students or re-entering students absent more than two years and seeking an A.A. or A.S. degree are required to take at least one course with human relations content. See your counselor for a list of courses that fulfill this requirement.
4. Ag classes are offered on a two-year rotation. Students need to be sure they enroll in these classes when possible, since they are only offered once every two years.
5. Students interested in being Ag teachers are required to take the Illinois basic skills test before transferring to SIU. This is usually done during spring of the sophomore year.
6. MATH 115 Survey or Statistics or MATH 161 Statistics can be used as the math to graduate for the A.A. or A.S.
7. MATH 111 College Algebra is required by SIU for Ag.
8. SIUC will not accept both CECN 102 Microeconomics and AGRI 102 Ag Economics. These count as the same class at SIUC.
9. For additional information, contact:

Dr. Dennis G. Watson, Associate Professor  
Coordinating Counselor for Ag Systems Technology & Ag Production  
Southern Illinois University  
1205 Lincoln Drive, Rm. 158B, MC 4415  
Carbondale, IL 62901-4710
