

**Transfer Curriculum  
Architectural Studies**

Required Courses	Hours
<b>Summer</b>	
Life Science Elective	3-4
Social Science Elective	3
Total	6-7
<b>First Semester</b>	
HIST 111 Western Civilization I	3
ARTS 111 Art History I – OR – ARTS 112 Art History II – OR – ARTS 115 Art Appreciation	3
ENGL 101 Rhetoric & Composition I	3
PHYS 101 Physics (Mechanics, Heat) (See Note 3.)	5
Humanities Elective (IAI)	3
INST 101 Success in College	1
Total	18
<b>Second Semester</b>	
HIST 112 Western Civilization II	3
MATH 125 Intro to Analysis I (See Note 5.)	4
ENGL 102 Rhetoric & Composition II	3
PHYS 102 Physics (Wave Motion, Electricity, Optics)	5
SPCH 101 Oral Community	3
Total	18
<b>Summer</b>	
Humanities/Fine Arts Elective (IAI) (Unless selecting three-year plan – See Note 2.)	3

**Transfer Admission Requirements:**

1. Minimum 2.6 GPA (4.0 scale) is required for transfer admission after March 1.
2. Minimum 3.0 GPA (4.0 scale) is required for transfer admission prior to March 1.
3. Must complete a minimum of 26 hours of transfer credit.

**Notes:**

1. The Bachelor of Science degree satisfies the education requirements for licensure in the State of Illinois as overseen by the Department of Professional Regulation. Graduates who have acquired five years of architectural experience/training through the Intern Development Program (IDP) qualify to take the Architect Registration Examination (A.R.E.) in Illinois. Students who have completed 90 hours of the degree are eligible to participate in the Intern Development Program (IDP).
2. Three years minimum of Architectural Studies courses at SIU are required to finish the Bachelor of Science degree. Beginning fall 2007, SIUC is offering a three-year fast track program that begins summer semester. Students will apply for fall entry and then be sent a separate application for this program. Twenty students are accepted into this program. Verify with your counselor if this is your intent.
3. Students must take both MATH 111 and MATH 114 or test into Math 120 to enter this class. MATH 111 should be taken during the first summer, and MATH 114 should be taken in the fall.
4. Three-year plan for transfer students: Core Curriculum course requirements must also be met per university and program requirements. Even though this plan begins with a summer semester, the initial application to SIUC must indicate you are applying for admission into the Architectural Studies program for the fall semester. After you have been admitted to SIUC, you will receive a separate program application. The program application will allow you to indicate your interest in the three-year plan beginning with the summer semester. Enrollment in this option is limited to the first 20 qualified applicants.
5. Must place into MATH 125 with approved and documented math placement test scores or by completing MATH 111 with a C or better.
6. For further information, contact:

Dr. Walter Wendler, Director  
Department of Architecture  
and Interior Design  
410 Quigley Hall  
Southern Illinois University  
Carbondale, IL 62901
