

**Transfer Curriculum
Pre-Medicine (Appropriate Major Selected by Student)**

Individuals who complete the courses listed below earn the Associate of Arts degree at Danville Area Community College, will have met the senior institution's lower division general education requirements, and will be admitted as juniors.

Required Courses	Hours
Summer	
MATH 111 College Algebra	5
SPCH 101 Oral Communication	3
Total	8
First Semester	
CHEM 101 College Chemistry I	4
BIOL 102 Principles of Biology (See Note 4.)	4
ENGL 101 Rhetoric & Composition	3
MATH 114 Trigonometry	3
BOFF 140 Medical Terminology	3
INST 101 Success in College	1
Total	17
Second Semester	
CHEM 102 College Chemistry II	4
PSYC 100 Intro to Psychology	3
MATH 120 Calculus & Analytic Geometry I	5
ENGL 102 Rhetoric & Composition II	3
PHIL 102 Logic	3
Total	18
Summer	
BIOL 136 Anatomy & Physiology I – OR – HLTH 101 Contemporary Health – OR – HLTH 130 Nutrition (See Note 6.)	3-4
Fine Arts Elective	3
Total	6-7
Third Semester	
PHYS 101 General Physics: Mech, Sound, Heat	5
CHEM 133 Organic Chemistry	5
SOCY 100 Intro to Sociology	3
Fine Arts/Humanities Elective	3
Foreign Language (See Note 3.)	4
Total	16-20
Fourth Semester	
PHYS 102 Gen Physics: Electricity	5
HIST 151 U.S. History to 1865	3
MATH 161 Statistics	3
CHEM 134 Organic Chemistry II	5
Foreign Language (See Note 3.)	4
Total	16-20

Transfer Admission Requirements:

1. 2.0 GPA (4.0 scale). Student will need a higher GPA to be selected for any Science or Pre-Med Major.

Notes:

1. Pre-Medical students may choose any major to receive a Bachelor's Degree. Requirements of the degree and of the college in which it is granted must be met at the same time that Pre-Medical requirements are taken. If a science major is chosen, there will be considerable overlapping of requirements.
2. Community college students are encouraged to complete foreign language and Associate Degree requirements before transferring.
3. The foreign language requirement is waived if a student has completed three years of a single foreign language in high school with a grade of C or above. If the requirement was met in high school, then the student does not need to take foreign language classes at DACC. If the requirement was **not** met in high school, student should take two semesters of one language at DACC.
4. To go along with BIOL 102, BIOL 136 and BIOL 137 (Anatomy & Physiology I and II) are recommended for Pre-Med preparation. This is **not** a **mandatory** requirement. SIUC **prefers** that students take these classes **at SIUC**.
5. Effective Fall 1992, new students or re-entering students absent more than two years and seeking an A.S.A. degree are required to take at least one course with human relations content. See your advisor for a list of courses that fulfill this requirement.
6. Must complete a Human Health requirement for SIU Core. Choose from BIOL 136, BIOL 137, HLTH 101, or HLTH 130. If not taken here at DACC, the student will have to meet this requirement at SIUC.
7. Must complete a Multicultural requirement for SIU Core. The following classes meet this requirement: HIST 151, HIST 170, HIST 190, LITR104, LITR 106, MUSI 120, PHIL 104, SOCY 203, SOCY 225 OR SPCH 141. If not taken here at DACC, the student will have to meet this requirement at SIUC. **NOTE:** This curriculum guide has HIST 151 built in to meet this requirement. It also fulfills the third Social Science elective required to graduate from DACC. **If you choose another elective, then you will have to add another social science elective to graduate from DACC.**
8. Must complete interdisciplinary requirement for SIU Core: BIOL 105 or SOCY 200. This is not built into the DACC guide because there are so many elective hours already; however, if it is not taken at DACC, the student will have to fulfill this requirement at SIUC.
9. For additional information about the Pre-Medicine major at SIU, contact:

Gail Robinson, Health Professions Advisor
A-185 Neckers Building
Southern Illinois University
Carbondale, IL 62901-4710
