Transfer Admission Requirements:

1. The minimum GPA for admission consideration is 2.5 (4.0).
2. Sixty (60) hours of transfer credit.
3. Fall and Spring transfers, as well as sophomore and junior transfers. ACES transfer website is <http://futurestudents.aces.illinois.edu/transfer>.
4. To apply: <https://admissions.illinois.edu/apply>

NOTES:

1. Effective Fall 1992, new students or re-entering students absent more than two years and seeking an A.S.A. degree are required to take at least one course with human relations content. See your counselor for a list of courses that fulfill this requirement.
2. Transfer students must have completed third year level of high school or third semester of college foreign language to graduate from the College of ACES.
3. If a student has completed the foreign language requirement in high school or through the third level of college foreign language, no foreign language is required at DACC. To earn the minimum 60 credits and meet the general education requirements to earn the ASA at DACC, a student may need to complete general elective courses in place of foreign language. Your advisor can assist you in determining which classes you should take.
4. **AGRI 101 Animal Science** is not required by the U of I, but it is recommended to give the student an idea of what a degree in Animal Science entails.
5. **CHEM 133 Organic Chemistry and BIOL 140 Microbiology** are no longer required for the Animal Science major at U of I. They are, however, recommended for students interested in pursuing a veterinary degree.
6. For further information, please contact:
