Transfer Admission Requirements:

1. A 3.20 GPA is required for these courses.
2. An average of only 12-15 transfer students per year are admitted into this program.
3. **Transfer students are admitted for Fall term only.**
4. MATH 120 as well as MATH 130 or PHYS 101 must be **successfully** completed before the desired term of entry. Students considering Building Structure or Structural Engineering should take MATH 130. All other students should take PHYS 101.
5. Transfer students must also be able to meet the UI's **freshman** admission requirements (H.S. Course Pattern, ACT/SAT scores, and H.S. Class Rank).

Notes:

1. Three years of one foreign language at the high school level or three levels in college are required for this program.
2. If foreign language requirement is met, you may substitute these general education electives and take them during the second and third semesters in place of the foreign language elective. You must have 18 hours of general education electives.
3. Credit for college algebra and/or trigonometry completed in college as preparation for Calculus and Analytic Geometry I will **not** apply toward the degree requirements.
4. For additional information, please call 217-333-7720 or email arch-undergrad@illinois.edu.
