Transfer Admission Requirements:

1. Complete all coursework with a C or better.
2. Applicants must complete a minimum of 45 hours of documented volunteer or observation experiences in three different physical therapy facilities. At least 15 hours must be completed at each facility. Current certification in CPR (cardiopulmonary resuscitation) with Health Provider Status is recommended prior to beginning the professional program. Students must also have earned a Bachelor's degree prior to enrolling in the program.
3. The minimum GPA for application to the program in physical therapy is 2.5 (4.0 scale) in science and non-science courses. The competitive GPA, however, is considerably above this level. The Graduate Record Examination (GRE) must be taken within five years of the date of application. Students must apply for admission to the program approximately one year before planned enrollment.
4. There are two parts to the application: 1) the online application, and; 2) a supplemental set of materials. Applicants to the DPT program must apply online using the Physical Therapist Centralized Application Service (PTCAS). Applicants can begin their PTCAS application in August. The PT program application deadline is October 15. The supplemental materials must be sent directly to the Department of Physical Therapy and postmarked by the October 15 deadline. To learn more about the PTCAS application process, please visit the PTCAS Website at <http://www.ptcas.org>.

Notes:

1. Science/Math courses should be taken within five years of application.
2. MATH 111 and MATH 114 are only needed if student does not place directly into MATH 120.

This curriculum to be used for the following Universities: University of Illinois Chicago and Northern Illinois University.
