### **Transfer Admission Requirements:**

1. 2.0 Grade Point Average (4.0 scale).

### **Notes:**

1. SIU's College of LAS requires foreign language at the second semester college level. This is equivalent to 2 years of one foreign language in high school, but SIU requires that a proficiency test be passed if 2 semesters are not completed at the college level.
2. DACC recommends a three-hour course in Third World or Non-Western Culture, either in Humanities or Social Science.
3. Students may choose between BIOL 100, BIOL 101, BIOL 102, BIOL 104, BIOL 140, and BIOL 150.
4. If you complete MATH 115 or 161, you will also need MATH 111 or MATH 135. MATH 115 or 161 will fulfill DACC graduation requirements, but SIU does not require an additional math course. If you complete MATH 135, you may also complete MATH 115 or MATH 161 to complete credits toward SIU "group D."
