| Humanities Elective (Humanities or Fine Arts)   | 3  |
| Elective  | 3  |
| Elective  | 3  |
| Total   | 15 |

**Transfer Admission Requirements:**

1. 2.20 cumulative GPA (4.0) and a 2.50 average in all courses required by the major. Highly competitive. The average admitted GPA is 2.3-3.33.
2. Only courses in which the student has received a grade of C or higher may be counted toward the ACS hours required for major.

**Notes:**

1. Computer Information Systems Sequence is designed for the student who will seek a position as an information systems professional or PC/LAN support person, or who is interested in pursuing graduate studies in Information Systems.
2. Students can meet ISU's Global Studies graduation requirement by completing POLI 160, GEOG 134, or ANTH 107 as a DACC social science requirement. If a different social science elective is completed, the Global Studies requirement must be met at ISU. There are dozens of courses to choose from in this area once the student is enrolled at ISU.
3. It usually takes a transfer student who has completed this Associate of Science Degree an additional 5 or 6 semesters at ISU to complete the B.S. Degree in Computer Science.
4. DACC recommends a three (3) hour course in Third World or Non-Western Culture, either in Humanities or Social Science.
5. Effective Fall 1992, new students or re-entering students absent more than two years and seeking an A.S.A. degree are required to take at least one course with human relations content. See your counselor for list of courses that fulfill this requirement.
