

ATD Data Team

November 8, 2017

2:30 p.m.

Lincoln Hall, Room 107

Present: Cindy Peck, Dr. Penny McConnell, Bob Mattson, Angie Springer, Dr. Ruth Lindemann, Debbie Knight, Jessica Miles, Rebecca Courchesne, and Stacy Ehmen

Reports to review: Are there any very positive or negative indicators? With whom should the report be shared?

a. RNL Student Satisfaction Inventory Results

- i. Bob briefly explained how RNL SSI works (student level of importance vs. level of satisfaction) and reviewed the College's strengths and weaknesses
- ii. Bob will discuss this information at the January In-Service, but he needs input on the best ways to share this information
 1. The numbers and gaps can seem confusing; Color-coded strengths and weaknesses will be easier to absorb.
 2. Dr. Nacco wants to show High Satisfaction/High Importance and Low Satisfaction/High Importance as our main areas of celebration and focus
 3. Bob would like to present the 12 topics and ask which everyone thinks we did well in and which they think we did not-so-well in as an opener to get people thinking
 4. If anyone has suggestions for the In-Service presentation, please let Bob know this month
- iii. Who else needs to see this?
 1. Stacy is going to share it at her Front-Line Services meeting in December

b. Achieving the Dream Coaches Visit

- i. The Data Team will meet with the coaches on Thursday, November 30th from 2:30 – 3:30 p.m. in VH-306

c. ICCB Performance Funding FY17 Allocations

- i. Bob presented ICCB performance-based funding allocations for FY17
- ii. DACC got less money than it did previously, but the total amount given is still very small compared to overall funding (\$351,900 total for all community colleges)

Next Meeting: ATD Coaches Visit – November 30, 2017 at 2:30 p.m. in VH-306
