Reports to review:

1. Key Performance Indicators
 - a. Measure 1c (p4) FY16 certificate and degree combined should be 683 rather than 478 – to do: Jessica
 - b. Measure 2A (p6) Economically Disadvantaged Completions – the percent of completers seems low. We need to look closer at Pell graduation rates using the AtD template – to do and bring back: Bob or Jessica
 - c. Measure 4A (p9) DEV to College – seems good, but need to look at how that breaks out between DEVM, DEVE and DEVR – to do and bring back: Jessica or Bob
 - d. What would be helpful is a timeline of college events (initiatives, curriculum changes etc) in relation to changes of these metrics – to start and bring back: Cindy and Bob
 - e. Did not have time to finish looking at all KPIs. Continue on p30 at next meeting.
