1. Data Snapshots
 - a. Updated KPI data will be presented during the next meeting (In-Service)
 - b. So far, we have look at our large data needs through the KPI data, but now we can look at smaller snapshots from the sub-teams or other areas on campus
 - c. Mandatory Orientation
 - i. Cindy is interested in seeing how mandatory orientation has been affecting student success and retention
 - ii. Cindy will make notes on her interests in this information
 - d. Late Start and Summer Classes
 - i. Success rates compared to regular start classes
 - ii. A lot of factors could be involved
 1. The student signing up for late start
 2. The types of classes being offered late start
 3. The content being covered
 4. Online vs. On-Campus
 - iii. Would need to look at several years to get an accurate picture
2. Next Meeting: 2:30 – 3:30 p.m., Thursday, 8/14/14 in Copper Penny Room
