

ATD Teaching & Learning Sub-team

May 9, 2017 @ 3:30 p.m.

Laura Lee Room

Present: Dave Kietzmann, Ashley Hargrove, Jen Slavik, Dr. Ruth Lindemann, Stephanie Loveless, Dr. Stefanie Davis

- A draft of the ticket to be used at the August Teaching Excellence Academy was reviewed. Hyphenation formatting will be updated on the ticket so that words are not split between lines.
- Lunch table talking points will be shared with the group for review and feedback. Kathy will email this information.
- The Teaching Excellence Academy evaluation questions will be shared with the team for review and feedback. Ashley will email this information.
- Retention research provided by Dr. Ruth Lindemann on student mindset and changing student perception was shared using Google Drive. Team members will review the research and discuss at a future meeting.
- A request for input from Student Services for mental health conditions training during a future in-service was discussed. Dr. Stefanie Davis mentioned having information on a similar training recently offered at another college. More information has been requested and will be emailed to the Teaching & Learning team for review once it is received. The team will provide a recommendation to Student Services at that time.
