Flamewasher (Quick Arc Operator) - 1st & 2nd Shift

17.95–25.14 an hour

Full-time

Harrison Steel is looking for several Flamewashers. Our Flamewashers remove excess steel from castings using a carbon arc rod (also known as a quick arc). To generate enough power for our 3/4" carbon rods, we tie two Miller 750s together. We currently have openings on both first and second shift.

Qualifications

- Must occasionally lift and/or move up to 70 pounds
- The employee must be able to hold onto a carbon arc for long periods of time and be able to wear a full-face fresh air helmet
- Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions

Responsibilities

- Other duties may be assigned
- Operates quick arc equipment with carbon arc rod safely and efficiently
- Uses a carbon arc torch contour riser, gate, and fin to contact surfaces safely, efficiently, and without gouging the casting surface
- Inspects equipment daily
- Removes fused chills from castings
- Communicates with supervision on quality and equipment problems
- The employee regularly works near moving mechanical parts, extreme heat and fumes or airborne particles, and is frequently exposed to toxic or caustic chemicals
- Also, exposure to outdoor weather conditions, non-weather related extreme cold, water and humidity, and the risk of electrical shock
- The employee occasionally works in high, precarious places

Essential Duties and Responsibilities include the following. Other duties may be assigned.

- Operates quick arc equipment with carbon arc rod safely and efficiently.
- Uses a carbon arc torch contour riser, gate, and fin to contact surfaces safely, efficiently, and without gouging the casting surface.
- Inspects equipment daily.
- Removes fused chills from castings.
- Communicates with supervision on quality and equipment problems.
- Previous welding/carbon arc experience preferred.

Work Environment:

The employee regularly works near moving mechanical parts, extreme heat and fumes or airborne particles, and is frequently exposed to toxic or caustic chemicals. Also, exposure to outdoor weather conditions, non-weather related extreme cold, water and humidity, and the risk of electrical shock. The employee occasionally works in high, precarious places. The usual noise level is very loud. Must occasionally lift and/or move up to 70 pounds. The employee must be able to hold onto a carbon arc for long periods of time and be able to wear a full-face fresh air helmet. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions. Apply: Indeed.com Expires: 3/6/25

Category: **Champaign County/Court Services Officer JDC**

Date Posted: **2/4/2025**

Location: **Urbana, IL**

Date of Availability: **As soon as possible**

Date Closing: **3/31/25**

CHAMPAIGN COUNTY JUVENILE DETENTION CENTER

The Champaign County Court Services Department is hiring to fill current vacancies for **Court Services Officers at the Champaign County Juvenile Detention Center**

The Champaign County Juvenile Detention Center provides safe, humane and secure temporary custody for juveniles pending court proceedings, or those who have been adjudicated on delinquent charges. In addition to ensuring the safety of youth while in secure care, the Department provides a wide range of programming to address the physical, educational, emotional and social needs of the resident population, offering officers the opportunity to utilize their knowledge and skills to effect positive change in the lives of at risk youth. The behavior management program utilized at the Center is a group-based, behavior modification system that allows youth to be rewarded for positive behavior and positive behavioral change, and helps shape new behavior by reinforcing 'small steps' along the process of change.

The 2025 starting salary is \$50,914.50. This position requires officers to work shifts, including nights, weekends and holidays. Shifts vary from 9 hours to 11 hours.

The starting salary is set by a Collective Bargaining Agreement with the Fraternal Order of Police and is not subject to change. Experienced candidates with prior employment as a Probation Officer may be eligible to start at a higher rate of pay based on their experience.

This is an FOP position. Champaign County offers a competitive benefits package, including paid time off, health insurance, life insurance, and employer contributions to a defined-benefit retirement plan. Benefit details are outlined at <https://www.co.champaign.il.us/jobs>.

The qualifications for this position require that the applicant:

- have a minimum of 60 credit hours from a university, college, or community college preferably with major course work in criminal justice, psychology, sociology, social work, or related social services **-or-** have a high school diploma with at least two years' prior employment in law enforcement or experience in a residential care, specialized care, or detention facility;
- be at least 21 years of age
- be a citizen of the United States;
- be a resident of the State of Illinois within 90 days of appointment;
- pass a background check; and
- possess a valid driver's license.

To apply, please log on to applitrack.com/champaign/onlineapp/.

If you have any questions, please contact Jennifer Jarvis at 217-384-3753 or jjarvis@champaigncountyil.gov.

Job Description

Job Title: CAD and Documentation Technician
Department: Engineering
Reports To: VP of Engineering
FLSA Status: Exempt – Full Time
Location: Danville, IL
Prepared Date: November 6, 2024
Revision Date: -

Job Summary:

Responsible for maintaining the mechanical product design documentation of current products, bill of material (BOM) structures, and generating product releases to the manufacturing floor for HVAC units, liquid transfer pump parts and assemblies, power distribution equipment and other company product lines.

Qualifications:

- 1+ years of experience using Solid Works & PDM.
- Associates or technical degree in Engineering Drafting and Design CAD/CAM preferred.
- Experience in SolidWorks software, creating and modifying, 2D drawings, 3D parts and assemblies.
- Experience in designing mechanical systems, ability to read and interpret technical blueprints.
- Good problem solving and analytical skills.
- Experience in bill of material generation and maintenance within ERP systems.
- Knowledge and/or experience in industrial piping, plumbing design and P&ID diagrams, preferred.

Responsibilities

- Generate 3D CAD models and full 2D fabrication/assembly drawing packages based on a variety of inputs.
- Collaborate with mechanical engineering, manufacturing, and purchasing teams to gather relevant information for accurate documentation of product structures.
- Enter BOM's into inventory control software.
- Design components, top and sub-level assemblies, compile BOM's and generate general arrangement drawings in tandem with manufacturing and engineering teams.
- Work with Engineers and manufacturing personnel on the operation, maintenance, and parts required for HVAC equipment. This activity will require a "hands on" approach to determine how the hardware functions.
- Work with manufacturing team to understand and solve problems as they arise.
- Participate in Engineering meetings to understand the changes/modifications to the hardware that will affect the documentation.
- Organize, write, and validate/verify technical manuals essential for the operation and maintenance of AES equipment.
- Enjoys working in a team environment, but able to function independently.
- Perform other duties and completes special projects as assigned.

3/31/25

Workforce Education Director

Description: Have a chance to make a real difference! This new and innovative position was created with collaboration between the Education Leaders in Vermilion County Illinois and our Titans of Industry. The position offers the right individual a chance to better the lives of students from the eighth grade through college, providing them with exciting opportunities in creative career paths, while at the same time helping advance the local economy by seeking to find innovative answers to solve the workforce issue in Vermilion County. The right candidate will work hand in hand with school districts and local industry to create student engagement programs where local businesses can create an interest in careers in their companies. The ambitious goals of the program include helping educators to increase graduation rates, helping local businesses decrease their job openings, and increasing student career path designations. If you have a background in education, knowledge of industry, and a passion to make a difference, contact Vermilion Advantage today.

Type: Full Time **Shift:** 1st Shift **Days:** Monday – Friday **Wage:** \$50,000 - \$75,000

Responsibilities

- o Usual schedule: M-F 8 am-4:30 pm
- o The Workforce Development Coordinator will oversee all workforce education student engagement programs and will coordinate with industry members in Vermilion County.
- o Will be responsible for coordinating industry's engagement in the Xello platform and designing a successful industry engagement program for the platform.
- o Will organize a career exploration event to be held at a central location for all 9th graders in Vermilion County.
- o Organize Industry Cluster Tours for all 10th graders in Vermilion County.
- o Partner with VVEDs and DACC to reinstitute the job shadowing program for interested County 11th graders.
- o Organize a career expo for County 12th graders.
- o Organize a major Tech Ed contest at DACC sponsored by industry.
- o Work with VVEDs and DACC to find solutions to expand College Express.
- o Organize two meetings a year for the workforce education committee and continue the dialogue between Industry and Education.
- o Organize a student advisory committee that meets twice a year that will offer feedback on the committee's workforce efforts.
- o Organize and manage a student led social media campaign, that will provide a platform for students to tell their stories.
- o Create an atmosphere of intense engagement between industry and students.
- o Seek grant funds to increase and expand programing.

Skills:

- o Excellent Communication
- o Ability to work successfully to manage multiple priorities and tight deadlines and develop business relationships.
- o Possess a strong commitment to improving employment and economic opportunities for our local community.
- o Conducts individual intake with participants to access needs, strengths, challenges, and to identify job related goals.
- o Monthly/Quarterly check ins.
- o Works with the three main entities, Vermilion Advantage, VVEDs, and DACC.

Qualifications: Requires:

Data collection and evaluation, efficient communication, collaboration with industry, K-12, and DACC

Educational requirements:

Bachelor's degree in education, Organizational Development, Human Resources, or related field. Three years of experience in related field.

Degree Requirements: Bachelor's Degree

Job Expires: 2025-03-31

Application Email: mike@vermillionadvantage.com

City of Danville

Posted on: March 5, 2025

Job Title: Program Support Specialist - Administration

Description: The City of Danville, IL, is seeking a Program Support Specialist for our Public Works Administration Department. The general purpose of this position is to oversee scheduling and coordination of activities related to Sanitary Sewer and Solid Waste Collection Services, including creation and management of databases and spreadsheets, performing scheduling, and reporting activities, and generating reports. Also includes significant customer service interaction, as well as procurement, inventory management, accounts payable, payroll processing, and handling miscellaneous correspondence for the Department. Employees of the City of Danville are expected to be honest, courteous, and helpful to the public and handle matters in confidence. The City Council has adopted a "Code of Ethics" that is applicable to all employees and officers of the city. AA/EOE

Type: Full Time **Shift:** 1st Shift **Days:** Monday – Thursday **Wage:** \$50,248/Annually **Benefits included:**

Required Knowledge and Skills: Employees must possess, at minimum, a basic working knowledge of the following skill sets along with the ability to demonstrate an improvement of these skills within 30 days of their start date.

- High level of computer skills including word processing, spreadsheets, and database development and use.
- Ability to work effectively with supervisors and staff in developing and communicating program information for the various Departmental programs.
- Ability to communicate effectively, present information and respond to questions.
- Ability to multi-task, write, review, and prepare reports and business correspondence.
- Ability to train other staff on program implementation, monitoring, and management.

Note: This job description is intended to provide a general overview of the position. It is not an exhaustive list of responsibilities or requirements.

Qualifications:

- Minimum High School Diploma or G.E.D. certificate from a recognized education institution.
- Associate's degree in administrative support or equivalent coursework from an accredited institution preferred.
- Three (3) to five (5) years of like experience and/or training in database design, creation, and management, as well as program management and procedures.
- Working knowledge of infrastructure construction and maintenance is beneficial, including procurement and payroll processing.
- Three (3) to five (5) years of extensive customer service/interaction required.

Residency Requirements: Unless otherwise dictated by a Collective Bargaining agreement, employees of the City must establish their principal residence in Illinois, within forty-five (45) miles of the City of Danville corporate limits within six months following successful completion of their probationary period.

Years of Experience: 3 - 5

Take your Career to *New Heights*

EDF Renewables North America is a market-leading independent power producer and service provider with over 35 years of experience. We deliver grid-scale power projects in wind, solar, and storage; distribution-scale power projects in solar and storage; and onsite solutions including EV charging. EDF Renewables' North American portfolio consists of 18 GW of developed projects and 14.6 GW under service contracts with technical, operational, and commercial expertise to maximize the performance of generating projects.

AVAILABLE POSITIONS

Paid Internship - Renewable Energy Technician 1 (Wind)

EARL PARK, ID

Pay range:

Full pay range is \$17.50 to \$29.00 per hour. Target pay is \$22.00 per hour. Salary based on factors such as internal equity, candidate work and leadership experience, educational credentials, and, in some cases, candidate work location.

Summary:

Under specific direction from the site manager and supervision of an experienced technician, this position will assist experienced technicians with conducting maintenance, preventative maintenance, and repair of wind turbines and/or photovoltaic power and energy storage systems. Learns and applies EDF Core values: safety, teamwork, respect, passion, transparency, good sense, and accountability.

This is a 12-week internship, with the potential to convert to a permanent employee thereafter. Employment after completion of the 12-week internship is not guaranteed and is based on approved headcount, workload, and individual performance as assessed by site leadership.

Renewable Energy Technician (Wind)

CABERY, IL

Salary range:

Full pay range is \$22.16 to \$46.82 per hour. Target range is \$27.00 to \$41.00 per hour. Salary based on factors such as internal equity, candidate work and leadership experience, educational credentials, and, in some cases, candidate work location.

Summary:

Under the direction of the site manager, this position is responsible for conducting preventative maintenance of wind turbines and/or photovoltaic power energy storage systems; and, under the supervision of an experienced technician, conducts troubleshooting and repairs.

This position is expected to work safely under all circumstances and to seek guidance for any work for which they are unfamiliar or do not feel competent to perform safely.

BENEFITS & PERKS FOR FULL-TIME EMPLOYEES

EDF Renewables offers best-in-class employee benefits, including the following:

- **Competitive bonus incentives.**
- **Comprehensive health coverage for employees and eligible dependents.**
- **401k with generous matching contribution.**

We are also proud to offer:

- **Favorable paid time off, including paid parental leave after one year of service.**
- **Rewarding learning and career development and advancement opportunities.**
- **Supportive mentorship & buddy programs.**

Vestas Wind Technology, Inc.
Technician II -

Offering \$2,500 Sign On Bonus - Details below

At Vestas, we're not just offering you a job, but an opportunity to elevate your career. If you're equipped with Basic Safety Training (BST), Basic Technical Training (BTT), and Advanced Rescue Training (ART) certifications from the Global Wind Organization (GWO), consider yourself already one step ahead! To show our appreciation for the expertise you bring along, we're **excited to offer a \$2,500 USD / \$3,300 CAD** sign-on bonus.

WHO WE ARE

At Vestas, we live our company values of Accountability, Collaboration, Simplicity and Passion. In an innovative and evolving industry, we change quickly to meet the needs of our customers. Our motivation is to preserve the environment through sustainable energy solutions. If this aligns with your values and enthusiasm, we want to hear from you! **A DAY IN THE LIFE**

In this position you'll use your skills and experience to perform major correctives on a wide variety of wind turbine platforms/brands. During a typical day, you will work at heights and in confined spaces, while being exposed to the elements of weather. At this site you will typically work 5 days a week and 8-10 hours a day. The position may require up to 25% travel per year, with more travel (within driving distance) at the start of the position to other site locations for your training, as this is a new site start-up. The site will have 50 - V162 EnVentus 6MW turbines.

MORE ABOUT YOU

- ✓ You will need a safety-focused mindset
- ✓ Your positive attitude will contribute to your ability to work in a team environment, while being motivated and taking initiative in daily tasks
- ✓ You can identify solutions to issues with process of elimination
- ✓ You will bring at least a year of wind experience or a wind certificate with 2-3 years of experience in a mechanical, hydraulic, or electrical troubleshooting maintenance role

WHAT YOU'LL RECEIVE

We offer an attractive salary and one of the most comprehensive benefits plans in the industry, including:

- ✓ Benefits coverage within your first month
- ✓ State-of-the-art Training Program
- ✓ Paid Time Off (PTO), 3 weeks accrued
- ✓ Excellent 401(k) plan
- ✓ Global bonus

It is the policy of Vestas to afford equal employment opportunity without regard to age, race, religion, color, gender, or national origin, and to afford equal opportunity to veterans and individuals with a disability, or any other characteristic protected by federal, state, provincial, or local law. Applicants requiring reasonable accommodation to the application and/or interview process should notify a representative within the People & Culture department.

JOIN OUR TEAM!

URBANA PUBLIC TELEVISION CAMERA OPERATOR

Part-time, Temporary, Non-Union, Non-Civil Service

\$42.00 per meeting or \$14.45/ hour for meetings lasting 3 hours or more

The City of Urbana invites applications for UPTV Camera Operator. Camera Operators film public meetings for Urbana Public Television Cable Channel 6. From the Urbana Public Television control room, or wherever the meeting occurs, the Operator will run video equipment and controls while recording the meeting.

Schedule: Weekday evenings from 4:30 pm. until the end of the meeting. Meetings typically last anywhere between 1 and 3 hours. 1-2 meetings per week are expected of each camera operator.

Job Requirements Include:

- Ability to read and understand written instructions.
- Ability to quickly and repeatedly make adjustments in moving the video controls to exact positions.
- Must have unimpaired or corrected vision.
- Experience in camera operation or video production is desired but not required – training will be provided to all new Operators.

Compliance Office

Local 669 Sprinkler Fitters Apprenticeship Opportunities

TO: State of Illinois Outreach Organizations
DATE: August 2019

The Local 669 Joint Apprenticeship and Training Committee (JATC) conducts a five year apprenticeship program in all or part of 48 states in the U.S. for Sprinkler Fitters who are piping mechanics specializing in Fire Protection. We are very interested in your help to recruit qualified applicants. We also have excellent insurance, pension and education plans. The apprentice's entry-level rate is based on a percentage of the Journeyman rate of \$44.26 per hour and may increase every six months if qualified. Previous experience in construction or related college or military experience may enhance the entry-level wage.

The minimum qualifications for entry into the Program are:

- 1. Must be the age of 18 or over.**
- 2. Must be a high school graduate or have G.E.D.**
- 3. Must be physically fit to perform the work of the trade.**
- 4. Must have military discharge under other than dishonorable conditions, if applicable.**

Applications will be accepted five days per week, except holidays, 52 weeks per year between the hours of 9:00 - 11:30 a.m. and 1:30 - 3:00 p.m. at the contractor/employers address. All completed applications will be held on file until there is a need to interview applicants for expected opportunities.

Applications must be completed 45 days prior to interview date. All applicants must provide a copy of their birth certificate, high school diploma or G.E.D. certificate and Military Discharge (Form DD-214) if applicable.

The recruitment, selection, employment, and training of apprentices during their apprenticeship shall be without discrimination because of race, color, religion, national origin, or sex. The sponsor will take affirmative action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required under title 29 of the Code of Federal Regulation part 30.

The JATC and Local 669 signatory contractors are Equal Employment Opportunity Employers.

Please visit the training website www.training669.org for further information.

**International Union of
Operating Engineers
Local 841
Apprenticeship &
Training**

765-828-1102 Phone

765-828-1108 Fax

info@841training.org

The purpose of the Operating Engineers apprentice training program is to ensure a continuous supply of skilled craftsmen coming into the trade. Apprentices are carefully selected and provided with training that will ensure they will be equipped with superior skills and the latest technology. Upon completion of their training, they will be an asset to the employer as well as the community, to the end that the public will receive the best possible workmanship.

Some of the classes offered are Forklift, Global Positioning System, Basic Mechanic, Milling Machine, Oiler, Laser/Automatic Controls, Grade Stakes, OSHA, CPR/First Aid, Hazmat, Crane, Backhoe, MSHA, Directional Boring Machine, Graders, Dozers, and others.

The program offers the latest technological and safety training to the Apprentices as well as to the Journeyman Operating Engineers.

Local 841 believes that comprehensive, uniform training for the members will provide a work force that is both productive and safe, and is beneficial to the public, the contractor and the members. The training is based on the premises that the work of the Operating Engineer should be done by qualified Journeymen assisted by indentured Apprentices.

What Is An Apprentice?

Apprenticeship is an excellent way to learn a craft and to earn an income at the same time. The system is designed to give someone who knows little or nothing about the trade the knowledge to become a master.

Watchfire Signs is a local company located in Danville, IL. We have a 91 year history and are a respected manufacturer in the sign and digital billboard industries. Watchfire offers comprehensive benefits including 401K with matching, affordable health/dental insurance, paid time off in year of hire, continuing education assistance and career advancement opportunities. We have been an employer of choice for decades, and have experienced incredible growth.

We are excited to once again offer our summer internship program. This program is a hands-on, real-world position, assisting our Software Engineers with coding, building, and testing various applications and products. You'll not only operate and learn how our systems work, you'll also build practical knowledge and participate in company operations in a day-to-day environment.

For qualifications and to apply, please visit us at:

www.watchfiresigns.com/watchfire-careers/

We look forward to working with you!

*Watchfire is an Equal Opportunity Employer. All aspects of employment including the decision to hire, promote, discipline, or discharge, will be based on merit, competence, performance, and business needs.

*Legal authorization to work in the US required. We will not consider candidates who need sponsorship, now or in the future, to be legally employed in the US. No H1B, OPT, CPT or other "temporary work authorization" candidates will be considered.

Watchfire Signs
(217) 442-0611
