AMERICAN EVENT SERVICES JOB DESCRIPTION

Job Title: Electrical Assembler (Tier 2)

Purpose: Performs various electrical and wiring tasks within the manufacturing process of HVAC systems, chillers, and pumps.

Duties and Responsibilities:

- Read and interpret schematic drawings, diagrams, blueprints, specifications, work orders, or reports to determine materials requirements or assembly instructions.
- Assemble electrical or electronic systems or support structures and install components, units, subassemblies, wiring, or assembly casings, using rivets, bolts.
- Adjust, repair, or replace electrical or electronic components to correct defects and to ensure conformance to specifications.
- Position, align, or adjust workpieces or electrical parts to facilitate wiring or assembly.
- Explain assembly procedures or techniques to other workers.
- Clean parts, using cleaning solutions, shop vac, and cloths.
- Drill or tap holes in specified equipment locations to mount control units or to provide openings for elements, wiring, or instruments.
- Fabricate or form parts, coils, or structures according to specifications, using drills, calipers, cutters, or saws.
- Inspect or test wiring installations, assemblies, or circuits for resistance factors or for operation, and record results. Other duties as assigned

Qualifications:

- Knowledge of safe work practices and willingness to comply with safety policies and procedures.
- Knowledge of electrical safety.
- Attention to detail; good organizational skills.
- Strong communication skills.
- Good time management skills.
- Ability to perform multiple tasks at once.
- Good problem solving and troubleshooting skills.
- Knowledge of hand-held power tools.
- Knowledge of wire sizes and amps.
- Knowledge of electrical schematics and how to properly read them.
- Knowledge of how all electrical pieces work together.
- Knowledge of low/high voltages and controlled voltages.

Education:

- HS diploma or GED

Experience:

- Previous electrical experience is required.
- Must be able to perform all electrical tasks with little to no supervision.

Working Conditions:

- 8-hour workdays (7am-4pm) with one hour lunch break; unless otherwise directed due to extreme elements
- Opportunity for seasonal overtime and weekend work
- Exposure to seasonal elements (heat/cold)
- Physical lifting up to 50 lbs, standing, climbing, stooping possible
- Exposure to electrical hazards

Apply on Indeed or send resume to : Mychelle@americaneventservices.com

Job Title: Family Advocate - Danville, IL.

Description:

RPC's Early Childhood Education Center is currently seeking a Family Advocate (Danville – Kimball/Voorhees) to join our TEAM! This position provides family support and child health services to families with children from birth to 5 years old. RPC is a people-focused agency made up of over 100 programs designed to generate possibilities for all within our community. A great deal of planning goes into creating opportunities where people can succeed on their own, and RPC is doing that work. From analysis to policy guidance to offering services to our communities, RPC's people plan for people.

Applicants must have a passion for children and families and the ability to support their success for self-sufficiency. Candidates seeking to join our team must be creative and be able to develop a positive classroom environment for the children that makes learning engaging, effective, and FUN! Requirements

Bachelor's degree in Social Services or Human Development required or Bachelor's degree in a related field with 2 years of Case Management experience

Ability to fulfill DCFS requirements for personnel, including a physical exam, immunizations and a criminal record check

Ability to engage families in services for themselves and their child, maintain records of services provided, and support family-identified goals

Basic computer competency

Valid driver's license

Ability to travel to home visits, trainings and meetings.

Ability to lift children up to 60 pounds in an emergency.

Bilingual (English/Spanish) a plus.

Prior experience with working with children in an early childhood program is preferred. Applicants with prior early childhood experience will be given priority within the applicant process

Summary

Competitive benefits, health insurance, dental insurance, retirement, tuition reimbursement, high quality programming (NAEYC Accredited) and great work environment!

Company Name: The Sygma Network

Job Title: Line Haul Driver (Long Haul)

Description:

To serve our customers by safely and efficiently transporting product from the warehouse by driving a tractor-trailer to various destination points according to customer invoices and company standards.

Type: Full Time

Benefits:

10 paid Holidays! Medical, Dental and Vision Insurance. Benefits active the 1st of the month after 31 days of employment. 401k and Sysco Stock Purchase Plan

Responsibilities:

Safely transports product from the warehouse to the customer location and ensures the product is delivered on a timely basis, according to assigned route; loads and unloads product according to customer specifications. Ensures all paperwork is completed according to established company and governmental guidelines (e.g. DOT electronic or manual logs, inspections, company vehicle maintenance reports and pre and post-trip reports are completed accurately and submitted on a timely basis, ensures all invoices are accurate and case counts match bill of lading). Ensures all food safety protocols are met according to established guidelines (e.g. proper temperatures are maintained in the delivery vehicle). Follows preferred work methods at all times, and immediately advises the management team of any unsafe conditions. Maintains and safely operates all assigned equipment, including but not limited to pallets, load bars, SLS unit, and personal protective equipment. Develops and establishes good relationships with customers by providing excellent and courteous service with clear communication. Communicates with management team regarding any deviations to route, trailer or loading issues and/or customer or product issues. Works assigned schedule and work outside the usual work schedule as needed to meet customer needs; exhibits regular and predictable attendance. Other duties as assigned by Management.

Qualifications: Education/Experience

- High school diploma/GED/equivalent degree, plus 1 year of tractor-trailer driving experience preferred.
- Completion of a tractor-trailer driving school will be accepted instead of, or in addition to a high school diploma.

Certifications and/or technical requirements

- Valid Class A Commercial Driver's License.
- Must be insurable to operate a vehicle as a condition of initial and continued employment.

Knowledge, Skills, and Abilities

Knowledge of: Department of Transportation (DOT) regulations; Hazmat guidelines; Safe lifting and delivery practices. Skill in: driving over long distances, over a variety of terrains and in varying weather conditions, communicating with customers; solving problems; delivering the product. Ability to: drive a tractor-trailer unit both in the day and at night in a variety of traffic and weather conditions and remain alert and aware of surroundings. Meet or exceed minimum productivity levels established by the Company. Operate a 3 axle tractor, 45' - 48' trailer, straight truck, onboard computer. Keypad and a 2 wheel hand cart; read, write and communicate in English as it relates to the job and to the safety regulations. Perform basic math functions (e.g. add, subtract, multiply, divide); effectively plan and organize work activities independent of direct supervision; solve problems

Physical Demands

The physical demands described here are representative of those that must be met by an associate to successfully perform the essential functions of this job. While performing the duties of this job, the associate is regularly required to sit, talk and hear. The associate is occasionally required to lift, push, or move product that weighs up to up to 50 pounds by hand and push/pulls up to 350 pounds of product with a 2-wheeled hand cart down a ramp and into the customer's storage areas climb in and out of a tractor and trailer. Job Description

As a family company, we serve people and communities. When you work at Meijer, you're provided with career and community opportunities centered around leadership, personal growth and development. Consider joining our family - take care of your career and your community!

Meijer Rewards

- Weekly pay
- Scheduling flexibility
- Paid parental leave
- Paid education assistance
- Team member discount
- Development programs for advancement and career growth

Join a community. Build a career.

We are searching for a new member of the Meijer family! As we grow, we're seeking an entry-level team member to join us as a General Merchandise Clerk who is able to complete a variety of retail tasks related to product, customer service, pricing, inventory, and merchandising. You will also collaborate with other team members and managers on additional tasks as needed. Are you a people person? Do you want to have a positive impact on your community? If so, we hope you will join us!

What skills will you use?

- You are detail-oriented and organized.
- Strong listening and communications skills, face-to-face and virtually.
- Willingness to learn or existing familiarity with job-specific technology.
- Problem-solving competence and eagerness to troubleshoot when necessary.
- You are process-driven and able to follow procedures in an organized and efficient way.
- You work well in a fast-paced environment.
- Ability to lift, carry, push, pull, bend, and twist while handling product.
- Ability to stand for long periods of time.
- Desire to work with customers on a consistent basis.

This job has a step pay plan that generally starts between the rates below with raises occurring after predetermined hours worked. The actual rate offered will meet or surpass the legal wage requirement for the job's location.

\$15.00 - \$16.18

We offer a comprehensive benefits package that includes medical, dental, vision, life insurance, a 401(k) plan with employer match, disability leave, and paid time off (PTO). In addition to these core benefits, we are committed to supporting your overall well-being and career growth. Our offerings include a variety of programs designed to support your personal and professional development, such as paid parental leave, paid education assistance (including free education), a childcare subsidy, and more. We are dedicated to creating a work environment that promotes work-life balance, long-term health and financial security, and continuous professional development.

Category: **Forensic Interviewer-Children's Advocacy Center**

Date Posted: **3/17/2025**

Location: **Urbana, IL**

Date of Availability: **ASAP**

Date Closing: **4/30/25**

The Champaign County Children's Advocacy Center is accepting applications for a Forensic Interviewer, available immediately. The successful applicant for this position will assist and support child victims and their families during and after investigations into allegations of abuse by conducting forensic interviews of children during the investigative process, connecting child victims and their families to community support services, working with law enforcement, social services, schools, and health and welfare agencies, and educating community agencies, schools and organizations on child abuse awareness and prevention. The successful applicant must be interested and able to work with individuals during high stress and highly emotional cases, particularly crimes of violence and crimes involving child victims. The successful applicant must also be highly organized, proficient in the use of technology, and have strong communication skills.

Minimum Qualifications

- Bachelor's degree from a four-year college or university with a focus in criminal justice, education and/or social sciences and 1-3 years related experience, or 2 years' professional experience as a child abuse and/or sexual abuse investigator through employment with a law enforcement or child protective agency or department.

Preference given to candidates with previous experience in criminal justice or human services. Experience with children and familiarity with early childhood trauma is preferred. Training and certification in forensic interviewing is preferred but not required and will be provided to the successful applicant. Proficiency in foreign languages is preferred.

Champaign County offers a competitive benefits package, including paid time off, health insurance, and employer contributions to a defined-benefit retirement plan. Details are outlined at www.champaigncountyil.gov/jobs

The salary range for this position is \$42,500.00-\$63,750.00, commensurate with experience.

Please submit resumes and references to Children's Advocacy Director Lisa Liggins-Chambers at: <https://www.applitrack.com/champaign/onlineapp/default.aspx?Category=Champaign+County>

Flamewasher (Quick Arc Operator) - 1st & 2nd Shift

17.95-25.14 an hour

Full-time

Harrison Steel is looking for several Flamewashers. Our Flamewashers remove excess steel from castings using a carbon arc rod (also known as a quick arc). To generate enough power for our 3/4" carbon rods, we tie two Miller 750s together. We currently have openings on both first and second shift.

Qualifications

- Must occasionally lift and/or move up to 70 pounds
- The employee must be able to hold onto a carbon arc for long periods of time and be able to wear a full-face fresh air helmet
- Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions

Responsibilities

- Other duties may be assigned
- Operates quick arc equipment with carbon arc rod safely and efficiently
- Uses a carbon arc torch contour riser, gate, and fin to contact surfaces safely, efficiently, and without gouging the casting surface
- Inspects equipment daily
- Removes fused chills from castings
- Communicates with supervision on quality and equipment problems
- The employee regularly works near moving mechanical parts, extreme heat and fumes or airborne particles, and is frequently exposed to toxic or caustic chemicals
- Also, exposure to outdoor weather conditions, non-weather related extreme cold, water and humidity, and the risk of electrical shock
- The employee occasionally works in high, precarious places

Essential Duties and Responsibilities include the following. Other duties may be assigned.

- Operates quick arc equipment with carbon arc rod safely and efficiently.
- Uses a carbon arc torch contour riser, gate, and fin to contact surfaces safely, efficiently, and without gouging the casting surface.
- Inspects equipment daily.
- Removes fused chills from castings.
- Communicates with supervision on quality and equipment problems.
- Previous welding/carbon arc experience preferred.

Work Environment:

The employee regularly works near moving mechanical parts, extreme heat and fumes or airborne particles, and is frequently exposed to toxic or caustic chemicals. Also, exposure to outdoor weather conditions, non-weather related extreme cold, water and humidity, and the risk of electrical shock. The employee occasionally works in high, precarious places. The usual noise level is very loud. Must occasionally lift and/or move up to 70 pounds. The employee must be able to hold onto a carbon arc for long periods of time and be able to wear a full-face fresh air helmet. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions. Apply: indeed.com Expires: 3/6/25

Company Name: Spiros Law

Posted on: March 25, 2025

Job Title: Workers' Compensation Administrative Assistant

Description:

Spiros Law is dedicated to providing exceptional legal representation for those who have been seriously injured. Our clients come to us when their lives have been turned upside down. They are often experiencing serious pain, grief, and financial hardship. Our team of exceptional attorneys and staff are passionate about changing our clients' lives, making a real tangible difference, and fighting for the underdog. We are committed to providing compassionate, personalized, and high-quality legal representation. We understand that this is a calling and not just a job.

Our Core Values:

No Compromise: We do not back down in the face of adversity and client interests always outweigh our own; we carefully evaluate and balance facts and emotions as well as risks and rewards when making decisions to maximize the value for our clients. **Team first, always:** We bring a 'we versus me' approach to work and align our individual and collective actions with firm goals; we value the power of team interaction and recognize that each team member possesses his or her own strengths and contributes to the team's success; we support each other's efforts, are loyal to one another and care for each other both personally and professionally. **Passion for people:** We view every interaction as an opportunity to make a meaningful impact on someone else; we demonstrate compassion, empathy and understanding for all even if our background and beliefs differ; we actively listen, are present and help connect the dots for others as we focus on finding the best solutions. **Excellence every time:** We obtain the best possible outcome in the least wasteful manner by doing things right the first time, working together in balance by being focused yet fast, practical yet economical, and flexible yet simple, always understanding that details matter. **Integrity and Accountability:** We believe in doing what is right without expecting anything in return or compromising the truth; we own our actions regardless of the outcome and we treat firm resources as if they were our own. **Keep Raising the Bar:** We measure our collective and individual success against our past successes and learn from our victories and mistakes; we keep current on events and explore new and cutting-edge ideas to hone our craft; we aren't afraid to try new things and embrace a learning mindset if things don't turn out as we intended. **Develop Your Craft, Every Day:** We are committed to our established processes and drive our own performance by modeling a personal commitment to always challenge ourselves to improve through innovation, planning, collaboration and teamwork.

Type: Full Time **Shift:** 1st Shift **Days:** Monday – Friday **Wage:** \$40,000-\$50,000 per year

Benefits: Medical. Dental. Vision. PRO. Simple IRA

Responsibilities: Position Overview:

We are looking for a highly motivated administrative assistant to join our already stellar team. Are you an optimist? Do you like changing lives? Making a difference? Do you cheer for the underdog? Us, too. Our assistants work in a collaborative environment providing support to our attorneys and clients. Together our team helps our clients through some of the most critical and difficult times in their lives. Assistants are provided training, support, and guidance along the way to ensure they can independently manage their day-to-day responsibilities including opening and managing electronic files, working in a web-based environment, editing and creating electronic documents, and scheduling meetings and calls. The sky is the limit in terms of the growth and learning opportunities of our administrative assistants. We are a law office, but non-legal experience is welcomed and encouraged. If you have workers' compensation experience, a strong work ethic, are motivated to achieve goals, and have an excellent ability to complete work with efficiency, confidentiality, accuracy, flexibility, and positivity, we are looking for you! A current or former insurance adjuster would be a perfect fit!

Responsibilities:

Carefully review, organize, and maintain medical records, case files, and legal documents, ensuring all necessary information is at your fingertips. Assist attorneys by preparing legal documents, correspondence, and pleadings that meet high professional standards. Manage a caseload of workers' compensation cases, maintaining up-to-date records, deadlines, and communication with all parties involved. Establish and maintain professional relationships with clients, answering inquiries and providing updates on case progress. Prepare settlements, demands, and legal documents accurately and in a timely manner. Handle administrative tasks such as maintaining calendars and scheduling appointments. Provide status reports and recommendations to attorneys in preparation for and throughout all stages of the case. Review bills to determine if they are payable and related to the claim filed. Calculate benefits by using proper jurisdictions regulations. Report and obtain claim information and treatment updates.

Qualifications: Qualifications:

- A desire to learn, grow, and develop a long-term career.
- A well-rounded understanding of Microsoft Office (Word, Excel, PowerPoint, Outlook) and PDF editing, Canva, and other software is appreciated. At a minimum, a willingness, desire, and ability to learn to use technology..
- Problem-solving skills and ability to think on your feet
- Affinity for Technology. Our assistants will not be intimidated by learning new technology.

Submit your resume and a cover letter to jellars@spiroslaw.com explaining why you'd love to join us.

Job Expires: 2025-05-31

Application Email: jellars@spiroslaw.com

Take your Career to *New Heights*

EDF Renewables North America is a market-leading independent power producer and service provider with over 35 years of experience. We deliver grid-scale power projects in wind, solar, and storage; distribution-scale power projects in solar and storage; and onsite solutions including EV charging. EDF Renewables' North American portfolio consists of 18 GW of developed projects and 14.6 GW under service contracts with technical, operational, and commercial expertise to maximize the performance of generating projects.

AVAILABLE POSITIONS

Paid Internship - Renewable Energy Technician 1 (Wind)

EARL PARK, ID

Pay range:

Full pay range is \$17.50 to \$29.00 per hour. Target pay is \$22.00 per hour. Salary based on factors such as internal equity, candidate work and leadership experience, educational credentials, and, in some cases, candidate work location.

Summary:

Under specific direction from the site manager and supervision of an experienced technician, this position will assist experienced technicians with conducting maintenance, preventative maintenance, and repair of wind turbines and/or photovoltaic power and energy storage systems. Learns and applies EDF Core values: safety, teamwork, respect, passion, transparency, good sense, and accountability.

This is a 12-week internship, with the potential to convert to a permanent employee thereafter. Employment after completion of the 12-week internship is not guaranteed and is based on approved headcount, workload, and individual performance as assessed by site leadership.

Renewable Energy Technician (Wind)

CABERY, IL

Salary range:

Full pay range is \$22.16 to \$46.82 per hour. Target range is \$27.00 to \$41.00 per hour. Salary based on factors such as internal equity, candidate work and leadership experience, educational credentials, and, in some cases, candidate work location.

Summary:

Under the direction of the site manager, this position is responsible for conducting preventative maintenance of wind turbines and/or photovoltaic power energy storage systems; and, under the supervision of an experienced technician, conducts troubleshooting and repairs.

This position is expected to work safely under all circumstances and to seek guidance for any work for which they are unfamiliar or do not feel competent to perform safely.

BENEFITS & PERKS FOR FULL-TIME EMPLOYEES

EDF Renewables offers best-in-class employee benefits, including the following:

- **Competitive bonus incentives.**
- **Comprehensive health coverage for employees and eligible dependents.**
- **401k with generous matching contribution.**

We are also proud to offer:

- **Favorable paid time off, including paid parental leave after one year of service.**
- **Rewarding learning and career development and advancement opportunities.**
- **Supportive mentorship & buddy programs.**

Vestas Wind Technology, Inc.
Technician II -

Offering \$2,500 Sign On Bonus - Details below

At Vestas, we're not just offering you a job, but an opportunity to elevate your career. If you're equipped with Basic Safety Training (BST), Basic Technical Training (BTT), and Advanced Rescue Training (ART) certifications from the Global Wind Organization (GWO), consider yourself already one step ahead! To show our appreciation for the expertise you bring along, we're **excited to offer a \$2,500 USD / \$3,300 CAD** sign-on bonus.

WHO WE ARE

At Vestas, we live our company values of Accountability, Collaboration, Simplicity and Passion. In an innovative and evolving industry, we change quickly to meet the needs of our customers. Our motivation is to preserve the environment through sustainable energy solutions. If this aligns with your values and enthusiasm, we want to hear from you! **A DAY IN THE LIFE**

In this position you'll use your skills and experience to perform major correctives on a wide variety of wind turbine platforms/brands. During a typical day, you will work at heights and in confined spaces, while being exposed to the elements of weather. At this site you will typically work 5 days a week and 8-10 hours a day. The position may require up to 25% travel per year, with more travel (within driving distance) at the start of the position to other site locations for your training, as this is a new site start-up. The site will have 50 - V162 EnVentus 6MW turbines.

MORE ABOUT YOU

- ✓ You will need a safety-focused mindset
- ✓ Your positive attitude will contribute to your ability to work in a team environment, while being motivated and taking initiative in daily tasks
- ✓ You can identify solutions to issues with process of elimination
- ✓ You will bring at least a year of wind experience or a wind certificate with 2-3 years of experience in a mechanical, hydraulic, or electrical troubleshooting maintenance role

WHAT YOU'LL RECEIVE

We offer an attractive salary and one of the most comprehensive benefits plans in the industry, including:

- ✓ Benefits coverage within your first month
- ✓ State-of-the-art Training Program
- ✓ Paid Time Off (PTO), 3 weeks accrued
- ✓ Excellent 401(k) plan
- ✓ Global bonus

It is the policy of Vestas to afford equal employment opportunity without regard to age, race, religion, color, gender, or national origin, and to afford equal opportunity to veterans and individuals with a disability, or any other characteristic protected by federal, state, provincial, or local law. Applicants requiring reasonable accommodation to the application and/or interview process should notify a representative within the People & Culture department.

JOIN OUR TEAM!

URBANA PUBLIC TELEVISION CAMERA OPERATOR

Part-time, Temporary, Non-Union, Non-Civil Service

\$42.00 per meeting or \$14.45/ hour for meetings lasting 3 hours or more

The City of Urbana invites applications for UPTV Camera Operator. Camera Operators film public meetings for Urbana Public Television Cable Channel 6. From the Urbana Public Television control room, or wherever the meeting occurs, the Operator will run video equipment and controls while recording the meeting.

Schedule: Weekday evenings from 4:30 pm. until the end of the meeting. Meetings typically last anywhere between 1 and 3 hours. 1-2 meetings per week are expected of each camera operator.

Job Requirements Include:

- Ability to read and understand written instructions.
- Ability to quickly and repeatedly make adjustments in moving the video controls to exact positions.
- Must have unimpaired or corrected vision.
- Experience in camera operation or video production is desired but not required – training will be provided to all new Operators.

Compliance Office

Local 669 Sprinkler Fitters Apprenticeship Opportunities

TO: State of Illinois Outreach Organizations
DATE: August 2019

The Local 669 Joint Apprenticeship and Training Committee (JATC) conducts a five year apprenticeship program in all or part of 48 states in the U.S. for Sprinkler Fitters who are piping mechanics specializing in Fire Protection. We are very interested in your help to recruit qualified applicants. We also have excellent insurance, pension and education plans. The apprentice's entry-level rate is based on a percentage of the Journeyman rate of \$44.26 per hour and may increase every six months if qualified. Previous experience in construction or related college or military experience may enhance the entry-level wage.

The minimum qualifications for entry into the Program are:

1. **Must be the age of 18 or over.**
2. **Must be a high school graduate or have G.E.D.**
3. **Must be physically fit to perform the work of the trade.**
4. **Must have military discharge under other than dishonorable conditions, if applicable.**

Applications will be accepted five days per week, except holidays, 52 weeks per year between the hours of 9:00 - 11:30 a.m. and 1:30 - 3:00 p.m. at the contractor/employers address. All completed applications will be held on file until there is a need to interview applicants for expected opportunities.

Applications must be completed 45 days prior to interview date. All applicants must provide a copy of their birth certificate, high school diploma or G.E.D. certificate and Military Discharge (Form DD-214) if applicable.

The recruitment, selection, employment, and training of apprentices during their apprenticeship shall be without discrimination because of race, color, religion, national origin, or sex. The sponsor will take affirmative action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required under title 29 of the Code of Federal Regulation part 30.

The JATC and Local 669 signatory contractors are Equal Employment Opportunity Employers.

Please visit the training website www.training669.org for further information.

Arcadia Care
1701 North Bowman
Danville, IL 61832
(217) 443-2955

For 150 years, Kraft Heinz has produced some of the world's most beloved products. We are one of the largest global food and beverage companies, with a portfolio that is a diverse mix of iconic and emerging brands. As the guardians of these brands and the creators of innovative products, we're dedicated to the sustainable health of our people and our planet.

We're committed to making life delicious for our people, our consumers, and our communities worldwide. Being one of the world's leading food and beverage companies is a privilege and a huge responsibility. We walk in our purpose by living our values, which make up our common language, define our shared culture, and reflect the company we're working to become each day.

We grow our people to grow our business. We champion great people who bring ambition, curiosity, and high performance to the table as the guardians of our beloved and nostalgic brands. Good isn't good enough. We choose greatness every day by challenging the ordinary and making bold decisions. All while celebrating our wins - and our failures - as we work together to lead the future of food.

**International Union of
Operating Engineers
Local 841
Apprenticeship &
Training**

765-828-1102 Phone

765-828-1108 Fax

info@841training.org

The purpose of the Operating Engineers apprentice training program is to ensure a continuous supply of skilled craftsmen coming into the trade. Apprentices are carefully selected and provided with training that will ensure they will be equipped with superior skills and the latest technology. Upon completion of their training, they will be an asset to the employer as well as the community, to the end that the public will receive the best possible workmanship.

Some of the classes offered are Forklift, Global Positioning System, Basic Mechanic, Milling Machine, Oiler, Laser/Automatic Controls, Grade Stakes, OSHA, CPR/First Aid, Hazmat, Crane, Backhoe, MSHA, Directional Boring Machine, Graders, Dozers, and others.

The program offers the latest technological and safety training to the Apprentices as well as to the Journeyman Operating Engineers.

Local 841 believes that comprehensive, uniform training for the members will provide a work force that is both productive and safe, and is beneficial to the public, the contractor and the members. The training is based on the premises that the work of the Operating Engineer should be done by qualified Journeymen assisted by indentured Apprentices.

What Is An Apprentice?

Apprenticeship is an excellent way to learn a craft and to earn an income at the same time. The system is designed to give someone who knows little or nothing about the trade the knowledge to become a master.
