Flamewasher (Quick Arc Operator) - 1st & 2nd Shift

17.95-25.14 an hour

Full-time

Harrison Steel is looking for several Flamewashers. Our Flamewashers remove excess steel from castings using a carbon arc rod (also known as a quick arc). To generate enough power for our 3/4" carbon rods, we tie two Miller 750s together. We currently have openings on both first and second shift.

Qualifications

- Must occasionally lift and/or move up to 70 pounds
- The employee must be able to hold onto a carbon arc for long periods of time and be able to wear a full-face fresh air helmet
- Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions

Responsibilities

- Other duties may be assigned
- Operates quick arc equipment with carbon arc rod safely and efficiently
- Uses a carbon arc torch contour riser, gate, and fin to contact surfaces safely, efficiently, and without gouging the casting surface
- Inspects equipment daily
- Removes fused chills from castings
- Communicates with supervision on quality and equipment problems
- The employee regularly works near moving mechanical parts, extreme heat and fumes or airborne particles, and is frequently exposed to toxic or caustic chemicals
- Also, exposure to outdoor weather conditions, non-weather related extreme cold, water and humidity, and the risk of electrical shock
- The employee occasionally works in high, precarious places

Essential Duties and Responsibilities include the following. Other duties may be assigned.

- Operates quick arc equipment with carbon arc rod safely and efficiently.
- Uses a carbon arc torch contour riser, gate, and fin to contact surfaces safely, efficiently, and without gouging the casting surface.
- Inspects equipment daily.
- Removes fused chills from castings.
- Communicates with supervision on quality and equipment problems.
- Previous welding/carbon arc experience preferred.

Work Environment:

The employee regularly works near moving mechanical parts, extreme heat and fumes or airborne particles, and is frequently exposed to toxic or caustic chemicals. Also, exposure to outdoor weather conditions, non-weather related extreme cold, water and humidity, and the risk of electrical shock. The employee occasionally works in high, precarious places. The usual noise level is very loud. Must occasionally lift and/or move up to 70 pounds. The employee must be able to hold onto a carbon arc for long periods of time and be able to wear a full-face fresh air helmet. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions. Apply: Indeed.com Expires: 3/6/25

Company Name: Spiros Law

Posted on: March 25, 2025

Job Title: Workers' Compensation Administrative Assistant

Description:

Spiros Law is dedicated to providing exceptional legal representation for those who have been seriously injured. Our clients come to us when their lives have been turned upside down. They are often experiencing serious pain, grief, and financial hardship. Our team of exceptional attorneys and staff are passionate about changing our clients' lives, making a real tangible difference, and fighting for the underdog. We are committed to providing compassionate, personalized, and high-quality legal representation. We understand that this is a calling and not just a job.

Our Core Values:

No Compromise: We do not back down in the face of adversity and client interests always outweigh our own; we carefully evaluate and balance facts and emotions as well as risks and rewards when making decisions to maximize the value for our clients. **Team first, always:** We bring a 'we versus me' approach to work and align our individual and collective actions with firm goals; we value the power of team interaction and recognize that each team member possesses his or her own strengths and contributes to the team's success; we support each other's efforts, are loyal to one another and care for each other both personally and professionally. **Passion for people:** We view every interaction as an opportunity to make a meaningful impact on someone else; we demonstrate compassion, empathy and understanding for all even if our background and beliefs differ; we actively listen, are present and help connect the dots for others as we focus on finding the best solutions. **Excellence every time:** We obtain the best possible outcome in the least wasteful manner by doing things right the first time, working together in balance by being focused yet fast, practical yet economical, and flexible yet simple, always understanding that details matter. **Integrity and Accountability:** We believe in doing what is right without expecting anything in return or compromising the truth; we own our actions regardless of the outcome and we treat firm resources as if they were our own. **Keep Raising the Bar:** We measure our collective and individual success against our past successes and learn from our victories and mistakes; we keep current on events and explore new and cutting-edge ideas to hone our craft; we aren't afraid to try new things and embrace a learning mindset if things don't turn out as we intended. **Develop Your Craft, Every Day:** We are committed to our established processes and drive our own performance by modeling a personal commitment to always challenge ourselves to improve through innovation, planning, collaboration and teamwork.

Type: Full Time **Shift:** 1st Shift **Days:** Monday – Friday **Wage:** \$40,000-\$50,000 per year

Benefits: Medical. Dental. Vision. PRO. Simple IRA

Responsibilities: Position Overview:

We are looking for a highly motivated administrative assistant to join our already stellar team. Are you an optimist? Do you like changing lives? Making a difference? Do you cheer for the underdog? Us, too. Our assistants work in a collaborative environment providing support to our attorneys and clients. Together our team helps our clients through some of the most critical and difficult times in their lives. Assistants are provided training, support, and guidance along the way to ensure they can independently manage their day-to-day responsibilities including opening and managing electronic files, working in a web-based environment, editing and creating electronic documents, and scheduling meetings and calls. The sky is the limit in terms of the growth and learning opportunities of our administrative assistants. We are a law office, but non-legal experience is welcomed and encouraged. If you have workers' compensation experience, a strong work ethic, are motivated to achieve goals, and have an excellent ability to complete work with efficiency, confidentiality, accuracy, flexibility, and positivity, we are looking for you! A current or former insurance adjuster would be a perfect fit!

Responsibilities:

Carefully review, organize, and maintain medical records, case files, and legal documents, ensuring all necessary information is at your fingertips. Assist attorneys by preparing legal documents, correspondence, and pleadings that meet high professional standards. Manage a caseload of workers' compensation cases, maintaining up-to-date records, deadlines, and communication with all parties involved. Establish and maintain professional relationships with clients, answering inquiries and providing updates on case progress. Prepare settlements, demands, and legal documents accurately and in a timely manner. Handle administrative tasks such as maintaining calendars and scheduling appointments. Provide status reports and recommendations to attorneys in preparation for and throughout all stages of the case. Review bills to determine if they are payable and related to the claim filed. Calculate benefits by using proper jurisdictions regulations. Report and obtain claim information and treatment updates.

Qualifications: Qualifications:

- A desire to learn, grow, and develop a long-term career.
- A well-rounded understanding of Microsoft Office (Word, Excel, PowerPoint, Outlook) and PDF editing, Canva, and other software is appreciated. At a minimum, a willingness, desire, and ability to learn to use technology..
- Problem-solving skills and ability to think on your feet
- Affinity for Technology. Our assistants will not be intimidated by learning new technology.

Submit your resume and a cover letter to jellars@spiroslaw.com explaining why you'd love to join us.

Job Expires: 2025-05-31

Application Email: jellars@spiroslaw.com

**Camp Robert Drake Staff Position
Camp Health Officer
Job Description**

Certification requirement:

The Health Officer must hold a current license or training in one of the following positions: emergency medical technician, paramedic, CNA, first responder, medical student (2nd year or more), physician's assistant, nurse, or physician. One-year experience in one of these positions is preferred. This position also requires current certification in C.P.R.

Employment Period:

The season for Camp Robert Drake will begin on Thursday, June 5, 2025, through Friday, July 18, 2025.

Employee reports to:

The on-site Health Officer is guided by the off-site camp physician in health and safety concerns for the camp. During camp, the Camp Director will supervise the responsibilities of the Health Officer.

Accommodations:

The Health Officer can live in an apartment adjacent to the First Aid Room in the central area of camp. All meals will be provided during the camp sessions. Staff members will have access to all camp facilities (swimming pool, lake area, nature trails, etc.) throughout the season.

Regular duties include:

- I) Oversee all First Aid and Health care operations at Camp Robert Drake, so as to meet all State of Illinois and Boy Scouts of America standards.
 - A) Prepare First Aid Room for summer use through inventory of supplies, organization of health care equipment, and acquisition of needed educational and first aid materials.
 - B) Establish a working relationship with area health care agencies, such as the Oakwood Ambulance Service, Carle Clinic of Danville, and the OSF Medical Center of Danville.
 - C) Oversee the health care needs for Scouts, leaders, and staff during camp sessions by:
 - 1) medical re-checks for all campers and track examination forms
 - 2) collection, security, and distribution of camper medications
 - 3) provide emergency treatment, as needed
 - D) Help lead the education programs in first aid and emergency preparations for Scouts in regularly scheduled classes. Help provide training in C.P.R. so that Scouts have a working knowledge of the procedures. Teach basic and advanced techniques in emergency skills, in accordance with the guidelines of the Boy Scouts of America.
- II. Assist in the supervision and maintenance of Camp Drake facilities and equipment, as pertaining for the First Aid Room.
- III. Participate with the Camp Director and Program Director to enhance the summer camping experience of all Camp Drake campers and guests.

For additional information regarding Camp Robert Drake operations, contact Camp Advisor Mike Graham, (217) 356-7291, ext. 6447 or mike.graham@Scouting.org

Green Light Landscaping

Posted on: February 17, 2025

Job Title: Lawn Irrigation Tech

Description:

Green Light Landscaping is looking for Lawn Irrigation Techs as well as management. Lawn Irrigation Techs will be expected to go to our customers' homes, start up their sprinkler system, make repairs throughout the growing season, calibrate systems, and shut down systems in the fall. Techs will learn and understand Rainbird, Toro, and Hunter products and systems. Techs will also be responsible for good communication with the office as well as customers. This is a great position for someone who loves to work outdoors, understands low voltage electrical, enjoys troubleshooting and likes a new challenge every day.

Type: Full Time

Shift: 1st Shift

Days: Monday - Friday

Wage:

Benefits: Vision and Dental help with a retirement match program

Responsibilities: Irrigation Techs will be responsible for attending work daily, driving box truck to customers' homes, and repairing/calibrating installed irrigation systems. Techs will also be responsible for communicating and educating home owners on their systems, as well as communicating with management and reporting work done at the end of the day.

Qualifications: Excellent verbal communication and organizational skills. Experience in the field is preferred but not required!

Skills: Operate an IPAD, we will teach you how to use the program

Job Expires: 2025-09-01

Application Email: projectgreenlight@live.com

Green Light Landscaping

Posted on: February 17, 2025

Job Title: Lawn Maintenance Manager

Description:

The ideal candidate will be able to operate a truck and trailer, zero turn mower, weed eater, and blower. This candidate will also be responsible for onsite customer relations as well as training new employees on the equipment. Regular assessments of the employees and their performance will also need to be determined. The candidate must be able to portray the importance of a safe work environment as well as have the knowledge of turf grass and how to manage our customers lawns. It would be a bonus if the candidate has a spraying license or experience with fertilizing yards but not a requirement. It would also be a bonus if this employee has the ability to work on small engine equipment or if they have a spraying license but not a requirement.

Type: Full Time **Shift:** 1st Shift **Days:** Monday – Friday **Wage:** \$16-\$20

Benefits: Help with Vision and Dental, and retirement match program

Responsibilities: Manage customers' needs, train new employees, keep equipment safe to operate
Escalate any problems early and schedule repairs in order to minimize loss to business
Conduct regular assessments and trainings to ensure safety of employees

Qualifications: Minimum High School education
5 years supervisory experience preferred within the turf management field
Strong critical thinking and organizational skills
Ability to identify and solve inefficiencies in processes
Ability to drive a truck and trailer
Ability to train employees on all equipment needed to perform services

Job Expires: 2025-09-01

Application Email: projectgreenlight@live.com

Vestas Wind Technology, Inc.
Technician II -

Offering \$2,500 Sign On Bonus - Details below

At Vestas, we're not just offering you a job, but an opportunity to elevate your career. If you're equipped with Basic Safety Training (BST), Basic Technical Training (BTT), and Advanced Rescue Training (ART) certifications from the Global Wind Organization (GWO), consider yourself already one step ahead! To show our appreciation for the expertise you bring along, we're **excited to offer a \$2,500 USD / \$3,300 CAD** sign-on bonus.

WHO WE ARE

At Vestas, we live our company values of Accountability, Collaboration, Simplicity and Passion. In an innovative and evolving industry, we change quickly to meet the needs of our customers. Our motivation is to preserve the environment through sustainable energy solutions. If this aligns with your values and enthusiasm, we want to hear from you! **A DAY IN THE LIFE**

In this position you'll use your skills and experience to perform major correctives on a wide variety of wind turbine platforms/brands. During a typical day, you will work at heights and in confined spaces, while being exposed to the elements of weather. At this site you will typically work 5 days a week and 8-10 hours a day. The position may require up to 25% travel per year, with more travel (within driving distance) at the start of the position to other site locations for your training, as this is a new site start-up. The site will have 50 - V162 EnVentus 6MW turbines.

MORE ABOUT YOU

- ✓ You will need a safety-focused mindset
- ✓ Your positive attitude will contribute to your ability to work in a team environment, while being motivated and taking initiative in daily tasks
- ✓ You can identify solutions to issues with process of elimination
- ✓ You will bring at least a year of wind experience or a wind certificate with 2-3 years of experience in a mechanical, hydraulic, or electrical troubleshooting maintenance role

WHAT YOU'LL RECEIVE

We offer an attractive salary and one of the most comprehensive benefits plans in the industry, including:

- ✓ Benefits coverage within your first month
- ✓ State-of-the-art Training Program
- ✓ Paid Time Off (PTO), 3 weeks accrued
- ✓ Excellent 401(k) plan
- ✓ Global bonus

It is the policy of Vestas to afford equal employment opportunity without regard to age, race, religion, color, gender, or national origin, and to afford equal opportunity to veterans and individuals with a disability, or any other characteristic protected by federal, state, provincial, or local law. Applicants requiring reasonable accommodation to the application and/or interview process should notify a representative within the People & Culture department.

Compliance Office

Local 669 Sprinkler Fitters Apprenticeship Opportunities

TO: State of Illinois Outreach Organizations
DATE: August 2019

The Local 669 Joint Apprenticeship and Training Committee (JATC) conducts a five year apprenticeship program in all or part of 48 states in the U.S. for Sprinkler Fitters who are piping mechanics specializing in Fire Protection. We are very interested in your help to recruit qualified applicants. We also have excellent insurance, pension and education plans. The apprentice's entry-level rate is based on a percentage of the Journeyman rate of \$44.26 per hour and may increase every six months if qualified. Previous experience in construction or related college or military experience may enhance the entry-level wage.

The minimum qualifications for entry into the Program are:

- 1. Must be the age of 18 or over.**
- 2. Must be a high school graduate or have G.E.D.**
- 3. Must be physically fit to perform the work of the trade.**
- 4. Must have military discharge under other than dishonorable conditions, *if applicable.***

Applications will be accepted five days per week, except holidays, 52 weeks per year between the hours of 9:00 - 11:30 a.m. and 1:30 - 3:00 p.m. at the contractor/employers address. All completed applications will be held on file until there is a need to interview applicants for expected opportunities.

Applications must be completed 45 days prior to interview date. All applicants must provide a copy of their birth certificate, high school diploma or G.E.D. certificate and Military Discharge (Form DD-214) if applicable.

The recruitment, selection, employment, and training of apprentices during their apprenticeship shall be without discrimination because of race, color, religion, national origin, or sex. The sponsor will take affirmative action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required under title 29 of the Code of Federal Regulation part 30.

The JATC and Local 669 signatory contractors are Equal Employment Opportunity Employers.

Please visit the training website www.training669.org for further information.

HSHS invests in its nurses with a comprehensive benefits program, competitive salaries and career development opportunities. We also care about achieving work/life balance and believe our colleagues need personal and family time to be well-rounded individuals who can best serve our patients.

Micah T.

HSHS Scholars program recipient

"Applying for the HSHS scholarship was the best thing I could have done for myself and my career path, and something I'd do time and time again. While nursing school is stressful enough in itself, I found peace in knowing I had financial help along the way, as well as already having lined up where I'd be working upon graduation."

Maintenance Technician

**International Union of
Operating Engineers
Local 841
Apprenticeship &
Training**

765-828-1102 Phone

765-828-1108 Fax

info@841training.org

The purpose of the Operating Engineers apprentice training program is to ensure a continuous supply of skilled craftsmen coming into the trade. Apprentices are carefully selected and provided with training that will ensure they will be equipped with superior skills and the latest technology. Upon completion of their training, they will be an asset to the employer as well as the community, to the end that the public will receive the best possible workmanship.

Some of the classes offered are Forklift, Global Positioning System, Basic Mechanic, Milling Machine, Oiler, Laser/Automatic Controls, Grade Stakes, OSHA, CPR/First Aid, Hazmat, Crane, Backhoe, MSHA, Directional Boring Machine, Graders, Dozers, and others.

The program offers the latest technological and safety training to the Apprentices as well as to the Journeyman Operating Engineers.

Local 841 believes that comprehensive, uniform training for the members will provide a work force that is both productive and safe, and is beneficial to the public, the contractor and the members. The training is based on the premises that the work of the Operating Engineer should be done by qualified Journeymen assisted by indentured Apprentices.

What Is An Apprentice?

Apprenticeship is an excellent way to learn a craft and to earn an income at the same time. The system is designed to give someone who knows little or nothing about the trade the knowledge to become a master.
