MISSION AND VISION

Danville Area Community College Foundation is a not-for-profit organization committed to promoting and supporting Danville Area Community College through fundraising and stewardship of the Foundation's resources, with the belief in the College's positive educational, cultural, and economic impact on the communities it serves.

~Adopted September 27, 1995~

MESSAGE FROM THE EXECUTIVE DIRECTOR:

Dear DACC Foundation Donors,

I want to take a moment to thank you for your generous support of the Danville Area Community College Foundation. Your kindness and commitment have made a lasting impact on the lives of our students and the strength of our community.

This year, your support helped more than 600 students achieve their educational goals with little to no financial debt through scholarships. Your support also helped us make vital capital improvements across campus, creating safe, modern spaces where students can study, collaborate, and grow. Due to your generosity, we're able to respond when students face hardships through the DACC Food Pantry and Student Emergency Fund, ensuring that no one had to choose between meeting basic needs and continuing their education.

Because of your generosity, students at DACC are gaining the education and skills they need to build brighter futures for themselves and their families. Every scholarship, every program, and every success story are a reflection of your compassion and belief in the power of education. These successes remind us how much can be accomplished when people like you choose to give.

Tonya S. Hill

From all of us at DACC, thank you for being such an important part of our college family. We are so grateful for your generosity, your trust, and your partnership in making education accessible for all.

With heartfelt appreciation,

Tonya S. Hill
Executive Director
DACC Foundation

DACC FOUNDATION 2025 HONORS PROGRAM: A DAY OF CELEBRATION AND GRATITUDE

The Mary Miller Gymnasium was filled with compassion, love, and excitement as more than 700 donors, students, and families gathered for the DACC Foundation 2025 Honors Program on September 10, 2025. The day celebrated the generosity of our donors and the achievements of our students whose educational journeys are made possible through their support.

Thanks to our amazing donors, the Foundation awarded 931 scholarships valued at \$1,138,105 this year! For the fifth year in a row, every DACC student who applied for a Foundation scholarship received one, an incredible milestone that highlights the strength and dedication of our community.

The program featured Cole Crawley, Presidential Scholar and Student Trustee, as the honorary student speaker. Cole brought energy, humor, and heartfelt appreciation to the stage, filling the room with smiles and laughter.

We were also honored to welcome Dr. Randy Fletcher, DACC’s new and eighth president, who shared how meaningful it is to be “back home” and spoke about his inspiring vision for the future of Danville Area Community College.

The program closed with a touching message from Tonya Hill, Executive Director of the DACC Foundation, who thanked everyone for their ongoing support and for advocating, donating, and believing in the power of education to change lives.

It was truly a day to remember, celebrating generosity, community, and the bright futures of our DACC students!

DACC President Dr. Randall Fletcher addressing the donors, students and family

letters from the students

Dear Family of Molly Nicholson,
My name is Megan Bonomo, and I am the recipient of your Excellence in Nursing scholarship for the 2025-2026 school year. I am very honored to be chosen! I want to personally thank you for believing in me and the vision I hold for my educational future.

In past discussions on whether nursing was the right choice for me, my husband has always replied with: "I know you can do it; you have a heart of gold." When I saw this exact phrase used in the description of your award, it moved me to tears. Moments like that always fill me with such excitement and confidence that I am in fact on the best path for me.

I am currently enrolled in the DACC ADN program that is set to start in the fall 2025 semester. With this program, I plan to graduate as a Registered Nurse in May of 2027 and then continue my work in the Danville area. It is with your generous award that I will be able to focus more on my studies and less on the financial aspects. With your help, this makes my dream much more attainable. Words cannot describe my gratitude for this gift you have given me, and I hope to pass it on to others one day very soon.

Sincerely,
Megan Bonomo
Molly A. Nicholson Excellence in Nursing Scholarship

Dear Presidential Scholar Committee,
I would like to express my sincere gratitude in being selected as a 2025-2026 Presidential Scholar from Westville High School. It truly is an honor to represent DACC in an uplifting way and I can't thank you all enough. DACC has always been my top school because not only is it academically successful, I can stay close to home and still be fulfilled. I appreciate your time and dedication into selecting the Presidential Scholars and I can guarantee you won't be disappointed. I'm thrilled to begin my future at DACC and I can't wait to see what it will hold for my lifetime career. As it gets closer and closer the excitement becomes more visible and I'm incredibly blessed to have been given the opportunity of a lifetime. Again, thank you so much for considering and rewarding me with the Presidential Scholarship, it is a complete honor.

Sincerely,
Anna Freeland

Dear Mrs. Phyllis Rogers,
I am extremely thankful to receive the Gary and Phyllis Rogers Award, this generous award will help me immensely in achieving my goals and chasing my dreams. Your support has not only encouraged me to continue my studies, but has also motivated me to work harder in my current and future courses. On behalf of all the students who have been helped and supported, thank you.

Sincerely,
Ociel Hernandez
Gary and Phyllis Rogers Scholarship

Dear Ms. Lois Wise,
Thank you for the very generous donation of a scholarship. I am honored to receive it once again! You have helped not only me, but also my family and teammates! I am able to save both my parents and my coaches money thanks to your donation. It means the absolute world to me and I am so grateful that you have chosen me to be the recipient both this year and last year. I hope I can make you proud just as I have everyone else!

Ella Myers
Ms. Lois Wise Scholarship

Dear Lowell and Florence Crawford Family,
I am sincerely honored and grateful to be selected as a recipient of the Lowell and Florence Crawford Scholarship for the 2025 - 2026 academic year. Your generous support helps relieve the financial burden of my education and allows me to focus more fully on my academic and career goals, with less stress and worry, while also easing the burden of figuring out how to pay for college. As a full-time student who also works close to 40 hours/week, balancing academics and financial responsibilities can be overwhelming. This scholarship opportunity significantly relieves that stress and allows me to give more of my time and energy to succeeding in the classroom and building a strong foundation for my future. Thank you for investing in students like me and for making a meaningful difference in our lives as we build for our futures. I hope to one day give back and support future students, just as you have supported me.

With appreciation,
Gage Warren

DACC FOUNDATION DONOR RECEPTION 2025

The DACC Foundation celebrated its generous donors with an evening of appreciation on October 10, 2025 held in the Business and Technology Building. The evening featured delicious heavy hors d'oeuvres prepared by DACC Culinary students. Guests got an inside look at the Business and Technology Building with tours led by students and presentations by instructors. Donors left the event inspired and excited by what they had learned and with a special keepsake to remember the memorable evening.

VICKIE J. MILLER

WHEELCHAIR RAMP DEDICATION - 2025

CELEBRATING A LIFE OF SERVICE, HEART, AND VISION

On October 19, 2025, family, friends, and community members came together to honor the incredible life and legacy of Vickie J. Miller, a true champion of education, accessibility, and community.

The new wheelchair ramp at Jacobs Hall is more than just a structure. It's a heartfelt tribute to Vickie's lifelong commitment to helping others move forward, removing barriers, and opening doors for everyone.

Vickie served the DACC family with distinction for many years, as a Trustee from 1991 to 2014, including 12 years as Board Chair, and later as a Foundation Director from 2020 to 2023. Her years of dedication touched every corner of our campus and community.

But beyond her impressive service, Vickie will always be remembered for her warmth, her generosity, and her deep belief that education changes lives. She inspired everyone around her with her positive spirit and her passion for making sure all people, no matter their background or ability, had the opportunity to succeed.

With love and gratitude, the DACC Foundation dedicated this ramp in memory of Vickie J. Miller. May it forever stand as a reminder of her kindness, her vision, and her unshakable belief in a community where everyone belongs.

GENE HAAS FOUNDATION SUPPORTS DACC MANUFACTURING PROGRAMS WITH \$20,000 GRANT

The Gene Haas Foundation has awarded \$20,000 to Danville Area Community College (DACC) in support of the college's CNC Machining and Manufacturing Engineering Technology programs.

This generous contribution will help provide scholarships and enhance training opportunities for students pursuing careers in advanced manufacturing.

Since 2017, the Gene Haas Foundation has donated over \$90,000 to the DACC Foundation, demonstrating its ongoing commitment to developing a skilled workforce and supporting hands-on technical education.

Danville Area Community College, DACC Foundation and the students want to thank the Gene Haas Foundation for their continued partnership and support.

Pictured: Manufacturing students along with the Dean of Technology Terri Cummings, College President Dr. Randall Fletcher, Associate Professor Todd Flessner and DACC Foundation Executive Director Tonya Hill

Thank you

for supporting our students and the CNC Machining and Manufacturing Engineering Technology programs.
