Local 669 Sprinkler Fitters Apprenticeship Opportunities

TO: State of Illinois Outreach Organizations
DATE: August 2019

The Local 669 Joint Apprenticeship and Training Committee (JATC) conducts a five year apprenticeship program in all or part of 48 states in the U.S. for Sprinkler Fitters who are piping mechanics specializing in Fire Protection. We are very interested in your help to recruit qualified applicants. We also have excellent insurance, pension and education plans. The apprentice's entry-level rate is based on a percentage of the Journeyman rate of \$44.26 per hour and may increase every six months if qualified. Previous experience in construction or related college or military experience may enhance the entry-level wage.

The minimum qualifications for entry into the Program are:

1. **Must be the age of 18 or over.**
2. **Must be a high school graduate or have G.E.D.**
3. **Must be physically fit to perform the work of the trade.**
4. **Must have military discharge under other than dishonorable conditions, if applicable.**

Applications will be accepted five days per week, except holidays, 52 weeks per year between the hours of 9:00 - 11:30 a.m. and 1:30 - 3:00 p.m. at the contractor/employers address. All completed applications will be held on file until there is a need to interview applicants for expected opportunities.

Applications must be completed 45 days prior to interview date. All applicants must provide a copy of their birth certificate, high school diploma or G.E.D. certificate and Military Discharge (Form DD-214) if applicable.

The recruitment, selection, employment, and training of apprentices during their apprenticeship shall be without discrimination because of race, color, religion, national origin, or sex. The sponsor will take affirmative action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required under title 29 of the Code of Federal Regulation part 30.

The JATC and Local 669 signatory contractors are Equal Employment Opportunity Employers.

Please visit the training website www.training669.org for further information.

Take your Career to *New Heights*

EDF Renewables North America is a market-leading independent power producer and service provider with over 35 years of experience. We deliver grid-scale power projects in wind, solar, and storage; distribution-scale power projects in solar and storage; and onsite solutions including EV charging. EDF Renewables' North American portfolio consists of 18 GW of developed projects and 14.6 GW under service contracts with technical, operational, and commercial expertise to maximize the performance of generating projects.

AVAILABLE POSITIONS

Paid Internship - Renewable Energy Technician 1 (Wind)

EARL PARK, ID

Pay range:

Full pay range is \$17.50 to \$29.00 per hour. Target pay is \$22.00 per hour. Salary based on factors such as internal equity, candidate work and leadership experience, educational credentials, and, in some cases, candidate work location.

Summary:

Under specific direction from the site manager and supervision of an experienced technician, this position will assist experienced technicians with conducting maintenance, preventative maintenance, and repair of wind turbines and/or photovoltaic power and energy storage systems. Learns and applies EDF Core values: safety, teamwork, respect, passion, transparency, good sense, and accountability.

This is a 12-week internship, with the potential to convert to a permanent employee thereafter. Employment after completion of the 12-week internship is not guaranteed and is based on approved headcount, workload, and individual performance as assessed by site leadership.

Renewable Energy Technician (Wind)

CABERY, IL

Salary range:

Full pay range is \$22.16 to \$46.82 per hour. Target range is \$27.00 to \$41.00 per hour. Salary based on factors such as internal equity, candidate work and leadership experience, educational credentials, and, in some cases, candidate work location.

Summary:

Under the direction of the site manager, this position is responsible for conducting preventative maintenance of wind turbines and/or photovoltaic power energy storage systems; and, under the supervision of an experienced technician, conducts troubleshooting and repairs.

This position is expected to work safely under all circumstances and to seek guidance for any work for which they are unfamiliar or do not feel competent to perform safely.

BENEFITS & PERKS FOR FULL-TIME EMPLOYEES

EDF Renewables offers best-in-class employee benefits, including the following:

- **Competitive bonus incentives.**
- **Comprehensive health coverage for employees and eligible dependents.**
- **401k with generous matching contribution.**

We are also proud to offer:

- **Favorable paid time off, including paid parental leave after one year of service.**
- **Rewarding learning and career development and advancement opportunities.**
- **Supportive mentorship & buddy programs.**

The graphic features a black background with scattered orange and red spark-like shapes. The text is in bold, yellow and white fonts. The Watchfire logo is centered above the word 'SPARKS', which is enclosed in a white rectangular box. Below this, the word 'HIRING!' is written in large, bold, yellow letters. At the bottom, a white rounded rectangle contains the text 'SUMMER INTERNSHIPS AVAILABLE AT' and 'WATCHFIRESIGNS.COM' in black, with a magnifying glass icon to the right.

Watchfire Signs is a local company located in Danville, IL. We have a 91 year history and are a respected manufacturer in the sign and digital billboard industries. Watchfire offers comprehensive benefits including 401K with matching, affordable health/dental insurance, paid time off in year of hire, continuing education assistance and career advancement opportunities. We have been an employer of choice for decades, and have experienced incredible growth.

We are excited to once again offer our summer internship program. This program is a hands-on, real-world position, assisting our Software Engineers with coding, building, and testing various applications and products. You'll not only operate and learn how our systems work, you'll also build practical knowledge and participate in company operations in a day-to-day environment.

For qualifications and to apply, please visit us at:

www.watchfiresigns.com/watchfire-careers/

We look forward to working with you!

*Watchfire is an Equal Opportunity Employer. All aspects of employment including the decision to hire, promote, discipline, or discharge, will be based on merit, competence, performance, and business needs.

*Legal authorization to work in the US required. We will not consider candidates who need sponsorship, now or in the future, to be legally employed in the US. No H1B, OPT, CPT or other "temporary work authorization" candidates will be considered.
